

Avante Welcomes Doug Katz as Vice President of Sales

Avante Team,

I am pleased to announce that Doug Katz has accepted the role of Vice President of Sales, with a start date of September 16, 2019.

In this role, Doug will be responsible for leading the sales teams for Avante Medical Surgical, Avante Patient Monitoring, and Avante Ultrasound (soon to be referred to as our Capital Sales and Repair & Replacement sales teams). Doug will also work with these Business Unit Presidents and the marketing team to execute upon our go-to-market strategy across all domestic customer classes of trade (acute, non-acute, government, etc.).

Doug was most recently a Region Vice President for the Medical & Specialty Solutions business of Cardinal Health, and he has 30 years of relevant healthcare sales, operations and customer service experience with the majority of his career spent leading large, regional sales teams. Reporting to Doug will be the sales leaders from AMS, APM and AU, as well as Craig Rothman.

Please join me in welcoming Doug to the Avante Health Solutions family!
