

# DRE Voyage

## Manual Hospital Bed

### Safe and Solid Construction

The DRE Voyage is a triple-crank manual hospital bed. It includes collapsible manual cranks to adjust back, knee, and Hi-Lo functions. The DRE Voyage also features six IV pole slots around the bed for additional convenience, as well as a hanger for drainage bags on each side of the bed.

### FEATURES

- 5 inch (127mm) dust-proof lockable casters
- Full length side-rails
- Removable head and foot boards allow for easy removal during surgery
- Six IV pole holders around the bed
- Hanger for drainage bags on each side of bed
