

GE Giraffe OmniBed

Incubator and Warmer

Combination of classic aesthetics and modern technology

The GE Giraffe OmniBed combines two traditional infant care products in one. A full-featured incubator and a radiant warmer in one. Protects from heat loss while the bi-directional maintains thermal stability. Infant receives uniform heat regardless of position.

FEATURES

- › Incubator with an Air Curtain to protect from heat loss
- › Radiant warmer that provides consistent heat in any position
- › A consistent and controlled thermal environment
- › Improved access to patient
- › A less stressful environment for the patient and family
- › No need to transfer patient from incubator to infant warmer
- › 360 degree rotating patient mattress
- › Drop down removable doors and rotating bed provide easy access
- › In-Bed scale

 **Refurbished**
