

**Avante Milano Podiatry Procedure Chairs** offer elegant European styling, innovative technology, and unprecedented value. With electric chair movements, small footprints, and quality construction, Avante Milano chairs are cost-effective alternatives to popular procedure chairs. Save money without sacrificing features when you choose a Avante Milano.

## Milano P20

An elegant solution for today's podiatry practice

The Milano P20 is expertly designed for comfort for podiatrists and patients alike, comfortable for both routine visits and lengthy procedures. Using the Milano P20 podiatry chair's adjustable height, operators can lower the chair to 20.5 inches.

- 180° chair rotation: Unique swivel feature for convenient access to patient area.
- Foot pedal adjusts the height, back and level positioning.
- 3 Electric movements: height, backrest and seat tilt.
- Partial Trendelenburg positioning.
- Leg supports swivel independently up to 50 degrees.
- Foot supports adjusted with gas spring.
- Sleek system with a small footprint.
- Stitchless mattress/covering allows for easy cleanup and sterilization.

## Milano P50

Fully electric podiatry chair that features a unique, split-leg design

The Milano P50's sleek design offers clinicians a streamlined, updated look to any podiatry suite. By using the standard foot pedal, operators can adjust each individual leg section as well as the chair's height, backrest and Trendelenburg positioning. The chair's small footprint takes up minimal space, and both the base and mattress covers are easy to clean.

- Unique automatic reset control returns chair back to the original position.
- Foot pedal adjusts height, leg rests, backrest and Trendelenburg.
- Adjustable, removable headrest.
- 5 Independent Electronic Movements: Height, Backrest, Individual Leg Rests, Trendelenburg.
- 180° Chair Rotation: Unique swivel feature for convenient access to patient area.
