

Laryngoscopes

With Conventional Illumination

ENGLISH PROFILE

Hand-crafted in a soft matte finish surgical stainless steel to virtually eliminate reflection and glare. The lamps are pre-focused to eliminate light splay. The flange extends all the way down to the distal tip.

REPLACEMENT LAMPS

- 5-0235-01For Size #0
- 5-0235-04 .For Sizes #1, 2, 3, 4, 5
