Cost per Recliner = \$700 - \$1,200

CAPITAL INVESTMENT: = \$27,400 - \$40,000

TRANSMOTION HELPS YOU:

Build a comprehensive business case to support capital purchases. TMM Stretcher-Chairs help optimize the operation of your facility.

OUR UNIVERSAL CARE PLATFORM improves the patient handling process.

IMPROVE PATIENT THROUGHPUT by reducing the need for patient transfers

MAXIMIZE SPACE
Small footprint allows for more chairs per department and increased productivity!

SAVE MONEY on overall capital equipment expense

CLINICAL

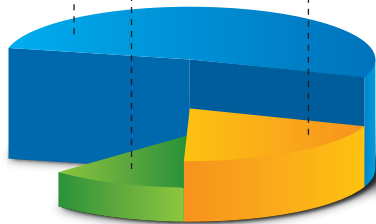

Reduced risk of staff member injury by limiting patient transfers.

LIMIT INJURY RISK

52% of nurses complain of chronic back pain

12% of nurses leave the profession (yearly) and do not return to the profession, back pain is cited as a major factor in that decision

20% of nurses transfer to different units and out of direct care or seek other employment due to back, neck and shoulder injuries.

American Nurses Association
Journal, June 2006 Statistics

Each worker's compensation claim costs \$25,000 - \$85,000

What is your facility doing to reduce needless transfers, optimize the patient experience while protecting our healthcare workers from needless injury?

TransMotion's Universal Care Platform™ can help you achieve each of your goals.

OPERATIONAL

A more efficient patient handling process with our unique Universal Care Platform.

REDUCING TRANSFERS

- University of Miami, Bascom Palmer utilizes 50 TMM5 Stretcher-Chairs, and effectively ELIMINATED 100% patient transfers.
- Perform 16,000 procedures increasing patient surgical volume over 33%

ONE PATIENT, ONE SURFACE®

THREE devices in ONE!
Procedure Chair
Transport Stretcher
Recovery Recliner

FINANCIAL

Staff time is directed away from "high-risk - non-value added activities" such as the patient transfer.

REALIZE COST SAVINGS WITH A TMM STRETCHER-CHAIR

2 transfers
at \$35.97/transfer
= \$71.94

3 transfers
at \$35.97/transfer
= \$107.91

\$71.94 \$107.91
x 10,000 procedures per year

SAVE

\$719,400 - \$1,079,400
per year using a TMM Stretcher-Chair
