

FOR IMMEDIATE RELEASE

## Avante Health Solutions Equipment and Services Available to Intalere Members through New Agreement

**Chicago (Oct. 1, 2020)** Intalere, the healthcare industry leader in delivering solutions designed for improved financial, operational and clinical health for our partners, announces a new agreement for diagnostic imaging and ultrasound equipment from Avante Health Solutions.

Through this agreement Intalere members will receive negotiated pricing on refurbished medical imaging equipment (CT, MRI, cath/angio and ultrasound), on-site repair service, and a large inventory of replacement parts. In addition, Intalere members have access to Avante Health Solutions' vast library of clinical training videos and technical support.

This contract is currently effective from October 1, 2020 through September 30, 2023.

### About Avante Health Solutions

Avante Health Solutions is a single source provider of medical, surgical, diagnostic imaging, and radiation oncology equipment, including sales, service, repair, parts, refurbishing, and installation. Avante is making it easier and more affordable for every hospital, clinic, and medical practice to have the very best equipment, supplies and service. Visit <https://avantehs.com/> to learn more.

### About Intalere

Intalere's mission focuses on elevating the health of healthcare by designing solutions to improve our members' financial, operational and clinical performance. We empower our customers and deliver measurable results through our highly personalized approach of creating strategies and programs focused on their goals. From managing their entire spend to strategic consulting around diagnosing particular areas of concern, our unique provider led model allows us to leverage nationally recognized best practices in supply chain and patient outcomes to drive efficiencies for our members.
