

At **aXəSS**

WE ARE DEDICATED...

- to offering free and confidential HIV tests for everybody
- to delivering free and effective HIV treatment and support
- to providing treatment for people living with HIV, so they have undetectable levels of virus in their blood
- to promoting that people with HIV, who have an undetectable viral load, can't pass it on (Undetectable = Untransmittable)
- to helping prevent new HIV infections with testing, free condoms, pre-exposure prophylaxis (PrEP) and post-exposure prophylaxis (PEPSE)
- to tackling HIV stigma and discrimination and working towards zero HIV related deaths
- to helping people who are living with well-controlled HIV, live long, healthy and happy lives
