

Axess sexual health education sessions

HIV update

To support professionals working with vulnerable groups, this presentation aims to increase confidence, knowledge, and skills to help raise awareness about the transmission, prevention, and treatment of human immunodeficiency virus (HIV).

This briefing will include a one and a half hour presentation, aiming to expand knowledge and highlight the importance of talking about and promoting testing of HIV and sexual health within your role.

This briefing will cover:

- HIV transmission and myths
- Who is most at risk
- Prevention and treatment
- Stigma, discrimination and the law
- Local services and what they offer.

At the end of this briefing session you will have gained knowledge and understanding of:

- The difference between HIV and AIDS
- How HIV is transmitted
- What activities increase the risk of HIV exposure
- Debunking myths
- How to prevent HIV transmission.

Date	Time
Monday 1 December 2025	10am-12pm
