

AXESS NHS SEXUAL HEALTH OUTREACH

Pornography - Fake v Reality

axess sexual health outreach team are offering a professional briefing on pornography

Statutory requirements for RSE education have clear guidance around teaching pornography in secondary schools and axess would like to support teachers and other professionals in delivering this element. The principle aim of teaching young people about pornography is to keep them safe from harm whilst promoting positive healthy and consenting relationships.

Aims of the briefing

This nonclinical briefing will be held over Teams including a short presentation (1hr 15 minutes) aiming to expand knowledge and address ways professionals can begin to teach about pornography and its potential impact and harm to young people.

- Pornography in the RSE statutory curriculum
- A historic overview of pornography
- The impact of viewing harmful content
- Pornography and body image
- Value based approach
- Pornography and the law
- Services and what they offer

At the end of this briefing session you will have gained knowledge and understanding around:

- ✓ Ideas of how to approach and deliver sessions relating to pornography
- ✓ Knowledge and understanding around sex and the law
- ✓ A greater understanding of online pornography
- ✓ The importance and use of correct language and terminology
- ✓ Challenging stereotypes and the importance of promoting positive body image
- ✓ Support and signposting
