Transgender awareness

Axess sexual health's Outreach Team are offering a transgender awareness briefing session for professionals working with young people, who would like to raise their awareness of trans identity and gender.

This presentation aims to increase confidence, knowledge, skills and respect when teaching and interacting with trans and gender-variant people.

Aims of the briefing:

This briefing will include a one hour and 15 minute Microsoft Teams presentation, aiming to expand knowledge and highlight the barriers faced by transgender people. This briefing will cover:

- Gender
- Intersex
- Correct terminology and pronouns
- Transition
- Transphobia
- Transgender health and wellbeing
- Transgender rights
- Working and interacting with trans people

At the end of this briefing session, you will have gained knowledge and understanding around:

- Gender diversity and identities
- Using correct language and terms
- Individual transition journey
- Barriers to inclusion
- Inequalities in health/mental health
- The law regarding gender identity
