

What is changing at axess?

From 30th October, except for urgent care on Saturdays, The Beat **will no longer offer a walk-in service**. This will enable increased provision of appointments for routine care.

Walk-in services will be available Monday-Friday at the Linda McCartney Centre, Royal Liverpool University Hospital.

Booked appointments will be available at The Beat, Linda McCartney Centre, and South Liverpool Treatment Centre (please see website for addresses and opening times for booked appointments - www.axess.clinic)

How do I access the service?

This depends on whether you have a **routine** or **urgent** need. Please see below for the options for accessing routine care and overleaf for urgent care criteria

Routine Care Options

(e.g., contraceptive pills, PrEP, wart treatment, screening)

1. Go online to book an appointment www.axess.clinic
2. Order screening online www.axess.clinic
3. Attend a walk-in clinic at the Linda McCartney Centre
4. Telephone the assessment and appointment booking line:
0300 323 1300
5. Book an appointment at reception at any of our clinics.

Routine Procedure Options

(e.g., smear, implant insertion/removal, IUD insertion)

1. Go online to book an appointment www.axess.clinic
2. Telephone the assessment and appointment booking line:
0300 323 1300
3. Book an appointment at reception at any of our clinics

If we have capacity, we can offer smears and implant insertions in our walk-in service.
