International Arbitration

“The team at EBN & Co. is ‘phenomenal’.

The department specializes in ‘exceptionally complicated commercial disputes’”

(Legal500)

Domestic and global corporations and business groups have been turning to our firm for many years for our international dispute resolution services and expertise. Our firm has successful track record in resolving major cross-border disputes via international arbitration and our vast experience in handling, as both counsel and arbitrators, international arbitrations, including ICC, LCIA and ad-hoc arbitrations. We act in collaboration with leading law firms around the world, as and when that is needed.

The Team

Giora Erdinast, Founder,
Head of the
Litigation Department

Representative Experience

Representing a leading international German corporation in an ICC arbitration regarding an intricate contractual dispute worth hundreds of millions of US dollars.

Representing an international transportation and infrastructure consortium in a complex ICC arbitration proceeding against the State of Israel, worth hundreds of millions of US dollars.

Representing a controlling shareholder of a major Israeli conglomerate in a battle for control worth hundreds of millions of US dollars. The dispute was settled by arbitration according to the ICC Rules.

Representing a group of global corporations operating in finance and infrastructure embroiled in complex and high-value contractual disputes that were resolved in LCIA arbitrations in London.

Representing an Israeli energy company in an ICC arbitration in London against a global oil & gas corporation for a sum of hundreds of millions of US dollars.

Representing an Israeli automobile distribution company in an ad-hoc international arbitration in Italy, for a sum of tens of millions of US dollars, based on a claim concerning the valuation of a purchased enterprise.

Representing a transportation concessionaire in an ICC arbitration against a French operation and maintenance subcontractor with respect to one of the largest transportation projects in Israel.

Representing a group of private equity funds in an arbitration against a global holdings company for a sum of tens of millions of dollars, with respect to the sale of shares in an industrial plant.

Representing an Israeli armored tactical vehicles manufacturer in a multi-million dollar ICC arbitration in Switzerland against two Turkish companies with respect to an alleged breach of contract.

Representing a leading Israeli renewable energy company in an LCIA arbitration in London against a global solar panel manufacturer, regarding a contractual dispute worth millions of US dollars.
