

FALCON S1 BODY CAMERA

When Every Second Counts, Nothing Captures Suspects Faster!

IDN 895B07
IDENTIFIED

With increasing demand for swift detection of suspects in mass crowd events, the **Falcon S1 Body-Worn Video Camera**, paired with AnyVision EDGE, offers a complete security alert solution.

Captured video is offloaded via secure transmission to advanced Evidence Management software, designed to manage digital evidence in one location.

Our user-friendly interface provides a complete overview of video, photos, audio, and documents.

Falcon connects to Android mobile phones with AnyVision app, to enable face recognition
