#### DAY 3 🏅

## PCR Test and half-day city tour and Mtskheta Tour

Savour a delicious breakfast and proceed to Narikala Fortress via cable car or via walk (which will be decided at the attraction). Narikala Fortress is an ancient fortress overlooking Tbilisi, the capital of Georgia. It was established in the 4th century and is a symbol of Tbilisi defence. You get to see spectacular views of the Mtkvari River as well from the battlements. The tour proceeds to explore the Tbilisi Old Town with sulfur baths. Witness Leghvtakhevi Waterfall in the district called Abanotubani. This is the place where King Vakhtang Gorgasali's falcon fell according to historical legend. The event led to the discovery of the hot springs and the founding of the new capital.

The Mtskheta tour takes you to the ancient capital that is located 20 km from Tbilisi. This is one of the oldest cities of Georgia with main attractions such as the Svetitskhoveli Cathedral (11th century). This esteemed temple is where the robe of Christ is buried.
