

TINY MOON

We pick the apples that fall far from the tree. We juice them.
We make them into delicious, CRISP cider.

original

**Made with ingredients
you can spell:**
100% apple juice, yeast, water.

Golden and clear with a gentle sparkle. Hints of cinnamon and soft spice on the nose. Smooth texture and bright acidity, with a naturally sweet finish that doesn't try too hard.

analytical data

Alc.4.5%
Vol.33cl
Residual Sugar **8 grs**
pH **3.9**
Carbonation **5.15 grs/L**
Fermentation: **Selected Yeast**
Calories: **163 Kcal**

dry

**Made with ingredients
you can spell:**
100% apple juice, yeast, water.

Light gold with sharp bubbles and serious crispness. Dry on the palate, with notes of wild apple, white flowers, and a hint of minerality. Bold, refreshing, and not here to blend in.

analytical data

Alc.5.5%
Vol.33cl
Residual Sugar **4 grs**
pH **3.85**
Carbonation **5.5 grs/L**
Fermentation: **Selected Yeast**
Calories: **160 Kcal**

berry

**Made with ingredients
you can spell:**
100% apple & strawberry juice,
yeast, water.

Pink-hued with a lively sparkle. Fermented strawberries bring bright acidity and red fruit on the nose. Easygoing, crisp, and clean. Built for sunshine and no plans days.

analytical data

Alc.4.5%
Vol.33cl
Residual Sugar **7 grs**
pH **3.8**
Carbonation **5.25 grs/L**
Fermentation: **Selected Yeast**
Calories: **163 Kcal**
