Dear Esteemed Partner,

RE: PARTNERSHIP & SUPPORT FOR BUVUMA ISLAND YOUTH EMPOWERMENT AND SUSTAINABLE LIVELIHOOD INITIATIVE

Receive greetings from Treescape Planet Organization, based in Kisaasi, Kampala. Founded in 2022, our mission is to empower communities to become champions of sustainable development.

Since inception, we have implemented impactful initiatives in tree planting, carbon balance, eco-tourism, and community livelihood development—creating pathways where nature, people, and purpose connect.

We invite you to partner with us on the **Buvuma Island Youth Empowerment and Sustainable Livelihood Initiative**, scheduled for **5th-6th August 2026**, in collaboration with **Greenlyf Foundation**.

This initiative responds to urgent social and environmental challenges in Buvuma District by promoting education, livelihood skills, and ecosystem restoration.

Key Interventions:

- ❖ Support 1,200 adolescent girls with reusable menstrual kits and health education
- ❖ Train youth and women in green income-generating skills
- ❖ Plant 400 trees to restore degraded landscapes
- ❖ Promote sustainable practices to protect Lake Victoria

So, to make sure each adolescent girl receives a year-full pack of reusable menstrual kit of at least Ugx. 15,000 and health education. The total project cost is **USD 11,970 (Approx. UGX 46,085,000)**, which also covers project logistics, coordination, monitoring, and gender-responsive reporting.

We are therefore, writing to respectfully request your core partnership and support in the successful execution of this impactful initiative. Your contribution—financial, technical, or in-kind—will directly empower vulnerable communities, restore ecosystems, and create sustainable livelihoods.

Contributions may be made via the following bank accounts:

- ❖ Stanbic Bank: 9030021669864
- ❖ Centenary Bank: 3100113240

Thank you for your continued commitment to community development.

Yours faithfully,

Bonnita Tukwatanise
