

WiseEuropa. A Comprehensive Think Tank

Warsaw, 2023

The WiseEuropa Foundation, established in 2013, is an independent think-tank based in Warsaw. We undertake

A STRATEGIC REFLECTION ON EUROPEAN POLICIES AND ECONOMY, ENERGY AND CLIMATE, SUSTAINABLE FINANCE AND TRANSPORT

We intend to stimulate and inspire the public debate on the future of Poland and Europe. Our mission is to improve the quality of Polish and European policymaking as well as the overall business environment by promoting the use of sound economic and institutional analysis, independent research and evidence-based approach to impact assessment.

We are committed to:

AN OPEN, SUSTAINABLE, DEMOCRATIC AND COMPETITIVE DEVELOPMENT OF EUROPE

CONSTRUCTIVE TRANSATLANTIC COOPERATION ON GLOBAL ISSUES

AN ACTIVE AND DEDICATED ROLE OF POLAND

We are convinced that within a free society all important public decisions must be preceded by a detailed and comprehensive deliberation. Therefore, our institute is

ENGAGING CITIZENS, ENTREPRENEURS, EXPERTS AND POLICYMAKERS

from Poland and other countries in a joint reflection on the EU's and Poland's modernization agenda as well as the EU's and Poland's role in the world.
