¿ WHAT IS BÍOZCOL®?

BÍOZCOL® is a new line of products for the home led by the company GRUCOSS SAS BIC, which is made with natural ingredients that help clean and degrease your home, while helping to conserve and preserve the environment, taking special care over people's health.

WHAT WOULD THE ADDED VALUE OF BÍOZCOL® PRODUCTS BE FOR YOUR COMPANY?

- We are a Green Business Verified by the CAS and the Ministry of Environment and Sustainable Development in cooperation with the European Union; which endorses us as a supplier of Green and sustainable Products.
- We are part of the GOZEROWASTE app, a platform that makes zero waste products and services visible in Spain.
- We are part of The Circular Lab, the first open innovation center specialized in circular economy in Spain.
- We committed to being a BIC Company, promoting the well-being of our workers, social equity and environmental protection.
- We aim at 4 of the SDGs, strengthening our commitment to a more sustainable world.
- Our products are made from Recycled Raw Materials, reducing the pollution of approximately 160,000 liters of water / month.

¿WITH WHAT PRODUCTS ARE BÍOZCOL® SOAPS MADE?

BÍOZCOL® Soaps are made with natural anionic surfactants, bicarbonate, vinegar and fragrances; that help protect the environment and keep your home clean and smelling good.

MULTIPURPOSE LIQUID SOAP

BÍOZCOL® is a powerful Multipurpose Liquid Soap with an effective DEGREASING and CLEANING POWER, which facilitates the washing process. Uses: Kitchen, bathrooms, floors and gaps, surfaces and dishwashers.

7 REASONS TO USE BÍOZCOL® PRODUCTS

- **Reason #1:** They are made with natural ingredients that do not harm your health or the environment.
- **Reason # 2:** We recycle Used Cooking Oils for their production.
- **Reason # 3:** It is Biodegradable and with a minimum content of phosphates, complying with regulations.
- **Reason #4:** It is a product designed to remove the toughest dirt and grease.
- **Reason #5:** We have a strong commitment to preserve and conserve the environment.
- **Reason #6:** It's a Renderer.
- **Reason # 7:** BÍOZCOL® products are packaged in containers made of recovered plastic, which helps reduce pollution from single-use plastics.

We are a **#GenerationBIC** company
because we take actions to protect the
environment.
