CHATEAU MAYNE-VIEIL 2019

AOC FRONSAC

Château Mayne-Vieil is a 100 % merlot wine and the vineyard has famous neighbours like Pomerol and Saint-Emilion (five miles away both).

VINEYARD

High density vineyard to produce quality grapes. The yields are limited thanks to permanent grassing and green harvesting in August. The whole vineyard has the leaves blown off on one side to allow an optimal ripeness of the grapes.

WINE MAKING

Traditional bordelaise wine making by three weeks maceration in thermo regulated tanks. 20 % of this blend is aged in oak recent barrels during one year.

Made and bottled by ourselves to ensure quality and originality. We do not buy grapes.

TASTING

Colour : intense and bright color

Aroma : note of candied red berries and spices

Palate : very supple attack with very good and delicate length

RATINGS

2 stars and noted "Coup de Coeur" with Hachette Guide 2023

91 Pts Wine enthusiast

« This dense wine offers rich blackberry flavors. Dark tannins contrast with ripe fruits to give a wine that has solid layers along with a juicy aftertaste. Drink from 2023. » Roger Voss
