Enterprise Europe Network (EEN)

The world's largest support network for small and medium-sized enterprises, active in 50+ countries in and outside of Europe.

The Network helps companies grow on an international scale, free-of-charge.

- Services for finding market information
- Services for finding international cooperation partners
- Advice on internationalization and legal matters
- Advice on EU funding possibilities
- Channels for SMEs to give feedback to European Commission
- IP Helpdesk services

In Finland there are fourteen EEN Advisors in seven cities:

- Business Finland, Helsinki Region Chamber of Commerce, Business Turku
- Helsinki, Turku, Tampere, Oulu, Rovaniemi, Seinäjoki, Mikkeli

Advice & support

Partnering opportunities

Matchmaking in a nutshell

- [Register to EnergyWeek Matchmaking](#), and make a good participant profile.
- Be active! See who is attending, send & accept/decline meeting invitations
- Prepare well for the meetings
- Be on time! The meetings take place onsite in Vaasa City Hall.
- After the event, rate the meetings you had

Once you have registered on the matchmaking event website, you can book & manage meetings on the matchmaking website, and also with the app 'b2match', which is available for Android and iOS.

18 March 2025 - 20 March 2025 |

Vaasa, Finland

EnergyWeek 2025 Matchmaking

Register now

Welcome to the EnergyWeek 2025 Matchmaking!

The annual [Vaasa EnergyWeek](#) is the largest energy cluster event in the Nordic countries, focusing on renewable energy, smart energy, clean gas energy and energy storage. Topics of interest include digitalization, batteries and storage, circular economy, future smart cities, energy regulation, business and innovation.

Enterprise Europe Network organizes a **free-of-charge onsite B2B matchmaking event** during the EnergyWeek. The matchmaking welcomes companies and experts from all sectors of the energy industry.

Before the event - Register

First, create a b2match account or login with an existing account

Then, register a participant profile to the event:

- Personal information (pitch, biography, skills, interests, social media links)
- What kind of partners are you looking for?
- Organization information (join an existing organization or create a new one)

Once registered, on the dashboard remember to

- Create opportunities (showcase on Marketplace what you offer or look for)
- Plan your attendance - your availability to have meetings (My Availability)

Describe clearly in your participant profile what you are looking for and what you can offer to potential partners. The better the participant profile, the more meaningful meetings you will have in Vaasa!

Personal details

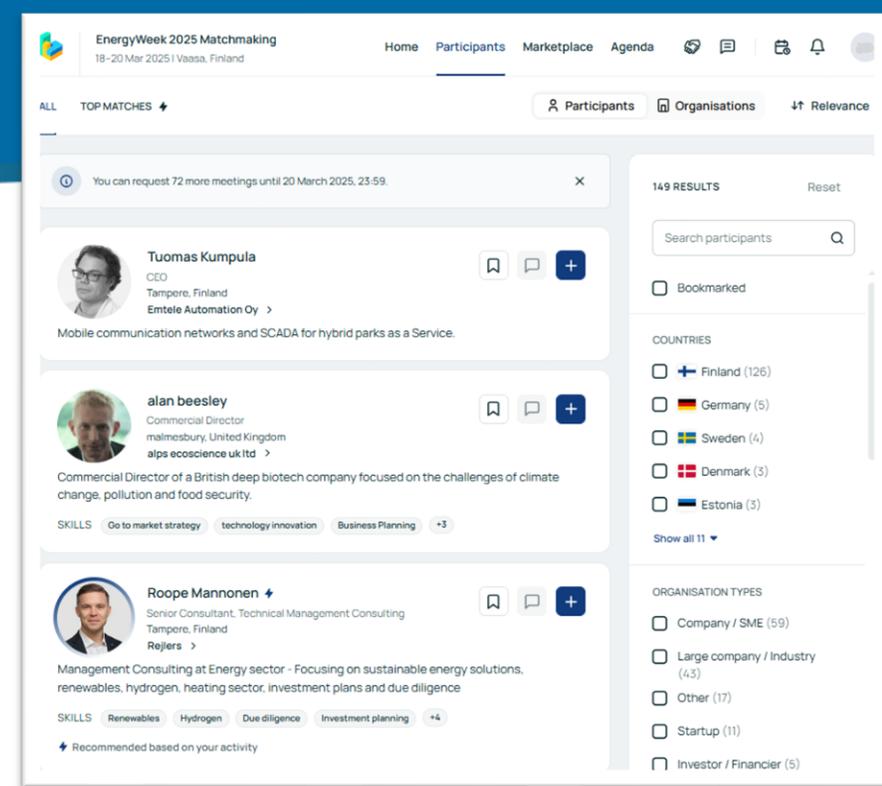

Before the event – Book meetings

Check Participants and Marketplace to find interesting participant profiles and send meeting invitations to those you wish to meet in Vaasa. 

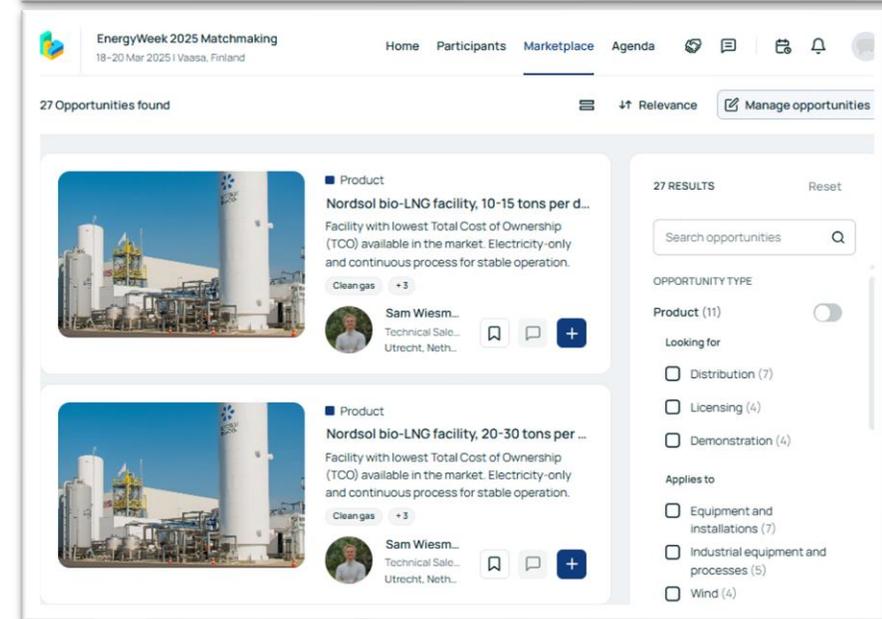

- Select the most suitable timeslot for the meeting. The matchmaking system takes into account the availability of both the participants. If you cannot find a suitable timeslot, check your availability for meetings.
- You can add/invite more participants to the meeting, there can be four participants in one meeting.
- Add introduction to the meeting invitation, why you think you should meet.

You can also bookmark interesting participants  and send messages to other participants via the matchmaking system. 

Accept/decline the meeting invitations you receive, as only accepted invitations are scheduled to your meeting agenda and reserved a timeslot and table in the matchmaking area.

The screenshot shows the 'Participants' page of the EnergyWeek 2025 Matchmaking platform. The header includes the event name, dates (18-20 Mar 2025), location (Vaasa, Finland), and navigation links (Home, Participants, Marketplace, Agenda). The main content area displays a list of participants with their profiles, including names, titles, and company information. Three participants are visible: Tuomas Kumpula (CEO, Emtele Automation Oy), alan beesley (Commercial Director, alps ecoscience uk ltd), and Roope Mannonen (Senior Consultant, Rejlers). Each profile includes a 'Bookmarked' icon, a 'Message' icon, and an 'Add' icon. A notification at the top states: 'You can request 72 more meetings until 20 March 2025, 23:59.' The right sidebar shows search filters for 'Participants', 'Organisations', and 'Relevance', along with a search bar and filters for 'COUNTRIES' (Finland, Germany, Sweden, Denmark, Estonia) and 'ORGANISATION TYPES' (Company / SME, Large company / Industry, Other, Startup, Investor / Financier).

The screenshot shows the 'Marketplace' page of the EnergyWeek 2025 Matchmaking platform. The header is identical to the Participants page. The main content area displays a list of opportunities, with two visible: 'Nordsol bio-LNG facility, 10-15 tons per d...' and 'Nordsol bio-LNG facility, 20-30 tons per ...'. Each opportunity includes a product image, a description, and a 'Clean gas' tag. The right sidebar shows search filters for 'Relevance' and 'Manage opportunities', along with a search bar and filters for 'OPPORTUNITY TYPE' (Product, Looking for) and 'Applies to' (Equipment and installations, Industrial equipment and processes, Wind).

Before the event – Prepare well

To make the most of the event, prepare well for the meetings!

You can always check your personal meeting agenda online on the event website (Meetings)  or in the mobile application.

The meeting agenda includes information about

- the status of the meeting (accepted, pending, canceled)
- who you will meet,
- at what time, and
- the table number where the meeting will take place.

The screenshot displays the 'EnergyWeek 2025 Matchmaking' agenda for Tuesday 18 March 2025. The interface includes a navigation bar with 'Home', 'Participants', 'Marketplace', and 'Agenda'. Below the navigation, there are tabs for 'Upcoming', 'Past', and 'Canceled', along with options to 'Subscribe to calendar' and 'Availability'. A time zone notice states: 'All times are displayed in the default time zone of the event (Europe/Helsinki, currently: 13:18)'. The agenda is organized by time slots:

- 09:40 - 10:00:** A meeting with a 'Pending' status. The location is 'Vaasa City Hall, 4th floor'. The status bar shows 'Received invitation' and '1 Accepted, 1 Pending'. A note on the right says: 'The meeting invitation you have received is waiting for your response' with an 'Accept' button.
- 10:00 - 10:20:** A meeting with a 'Pending' status. The location is 'Vaasa City Hall, 4th floor'. The status bar shows 'Request sent' and '1 Accepted, 1 Pending'. A note on the right says: 'The meeting invitation you have sent is waiting for other participant's response'.
- 12:00 - 12:20:** A meeting with an 'Upcoming in 3 weeks' status. The location is 'Table 2 - Vaasa City Hall, 4th floor'. The status bar shows 'Request sent' and 'All Accepted'. A note on the right says: 'The meeting invitation is accepted and it is scheduled and table is reserved in the matchmaking area.'

At the matchmaking

The pre-scheduled 20-minute 1to1 meetings take place on the 4th floor of the Vaasa City Hall – the accepted meeting invitations are scheduled and reserved a timeslot & table in the matchmaking area.

Respect your meeting partner's schedule and be on time for the meeting.

If for some reason you cannot join the meeting, please inform your meeting partner and the organizers.

Exchange contact information with your meeting partners, to agree on next steps, you can also send messages via the matchmaking website and mobile application b2match.

The matchmaking organizers are there to help you throughout the event.

After the event

Rate the meetings you had. The meeting rating can be done via Notifications or Meetings.

We highly appreciate your feedback, as it is valuable information on how to improve our matchmaking services and whether the meetings you had were useful and might lead to cooperation.

The Network reports to European Commission. We operate with public funding and our services are free of charge to companies. With the successful events, we justify the Network's existence and that we are needed also in the future
