KICK OUT MALARIA TRAIN-THE-TRAINER

SCHOOL AND COMMUNITY ENGAGEMENT PROPOSAL

1) Description:

The purpose of this proposal is to train teachers, guardians, caregivers and children's leaders in schools and community learning centers in countries vulnerable to climate change and the resultant spike in diseases on the effective use of the Kick Out Malaria educational products comprising the Kick Out Malaria Storybooks, Story Apps, Computer Video Games and Short Animated episodes.

2) Goals:

1. Advocate cleanliness through behavioral change.
2. Help children adopt a healthy lifestyle for their well-being.
3. Teach positive attitudes towards tackling environmental pollution for the common good.
4. Groom informed climate change agents that will act as catalysts for a cleaner, greener and healthier world.
5. Raise heroes who will influence other children to act as a force towards eradicating malaria in the world.

3) Objectives:

1. To train teachers, guardians, caregivers and children's leaders on the effective use of the Kick Out Malaria educational products (Storybooks, Story Apps, Computer Video Games and Short Cartoon episodes).
2. To monitor the performance of the teachers and children/students on the learning outcome of the Kick Out Malaria educational products, which is to live a healthy life and keep a clean environment.
3. To evaluate the impact of the Kick Out Malaria educational products and training on the lives of the children and their communities.

4) COST BREAKDOWN (PER SCHOOL/COMMUNITY LEARNING CENTER):
