

# Fine --- Management Srl

Silk and velevelt your business

# Introduction

---

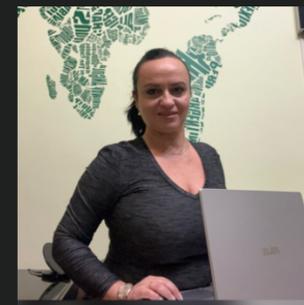

Fine Management Srl is a consultancy company based in Bucharest, specializing in the writing and implementation of funded projects, both governmental and European, including directly with the European Commission.

It also has the activity of providing professional, personal and language training courses at a higher level of quality.

## About Me

With extensive experience in European funds, Laura Savin has worked as a project evaluator and expert in accessing and implementing European funds. She also has over 10 years of experience as a trainer.

# About Us

---

## Our Vision

At Fine Management SRL, we envision a future where every organization has the opportunity to thrive through strategic access to European and governmental funding. We aim to be at the forefront of consultancy excellence, empowering our clients with innovative solutions and comprehensive training that drive sustainable growth and development. Our commitment is to foster a culture of collaboration and continuous improvement, ensuring that our clients achieve their highest potential in an ever-evolving global landscape

## Our Mission

To provide high-quality consultancy and professional training services, tailored to the specific needs of each client, ensuring project success and skill development.
