## EEN services and consultations provided by the EEN partners

We guide companies in their transition to more sustainable business models

We help businesses navigate EU legislations, policies and benefit from the opportunities offered by the Single Market

We help companies tailor digital solutions to their business needs

We enhance businesses' potential to innovate, grow and develop disruptive products

We identify EU funding opportunities that suit your business' needs and help you apply

We match companies with the right business partners

We empower businesses by building up their business agility and resilience to future challenges

Providing expression of interest

The main task to provide your interest to the profile of the company

## Create expression of interest

### Standard questions

What kind of cooperation are you looking for? \*

Please indicate what you can offer to other organisations/companies to help them further their activities and/or what you would like to gain in order to further your organisation/company activity. (Max. 600 characters)

Which information is missing or unclear? \*

Please provide detailed information about what is missing or unclear from the profile that you would like to make an expression of interest for. You will receive much faster feedback and improved your chances of securing an agreement with the more information that you provide. (Max. 600 characters)

Some facts about your company \*

Please include any supporting information about your company. Include information such as: Type of your organisation, year founded, size and if you are already engaged in cross border agreements. (Max. 600 characters)

### Про нас

Україна приєдналась до EEN у червні 2017 року шляхом створення консорціуму EEN-Ukraine.

Це стало можливим завдяки програмі COSME, що фінансується Європейською комісією та сприяє конкурентоспроможності та інноваційному шляху розвитку представників малого та середнього бізнесу а також інноваційних організацій. До консорціуму увійшли наукові організації, представники бізнесу та державних установ.

**600**

бізнес-асоціацій

**20 000**

бізнес-пропозицій та технологічних розробок

**700**

бізнес-заходів та b2b зустрічейкожен рік
