OUR STORAGES:

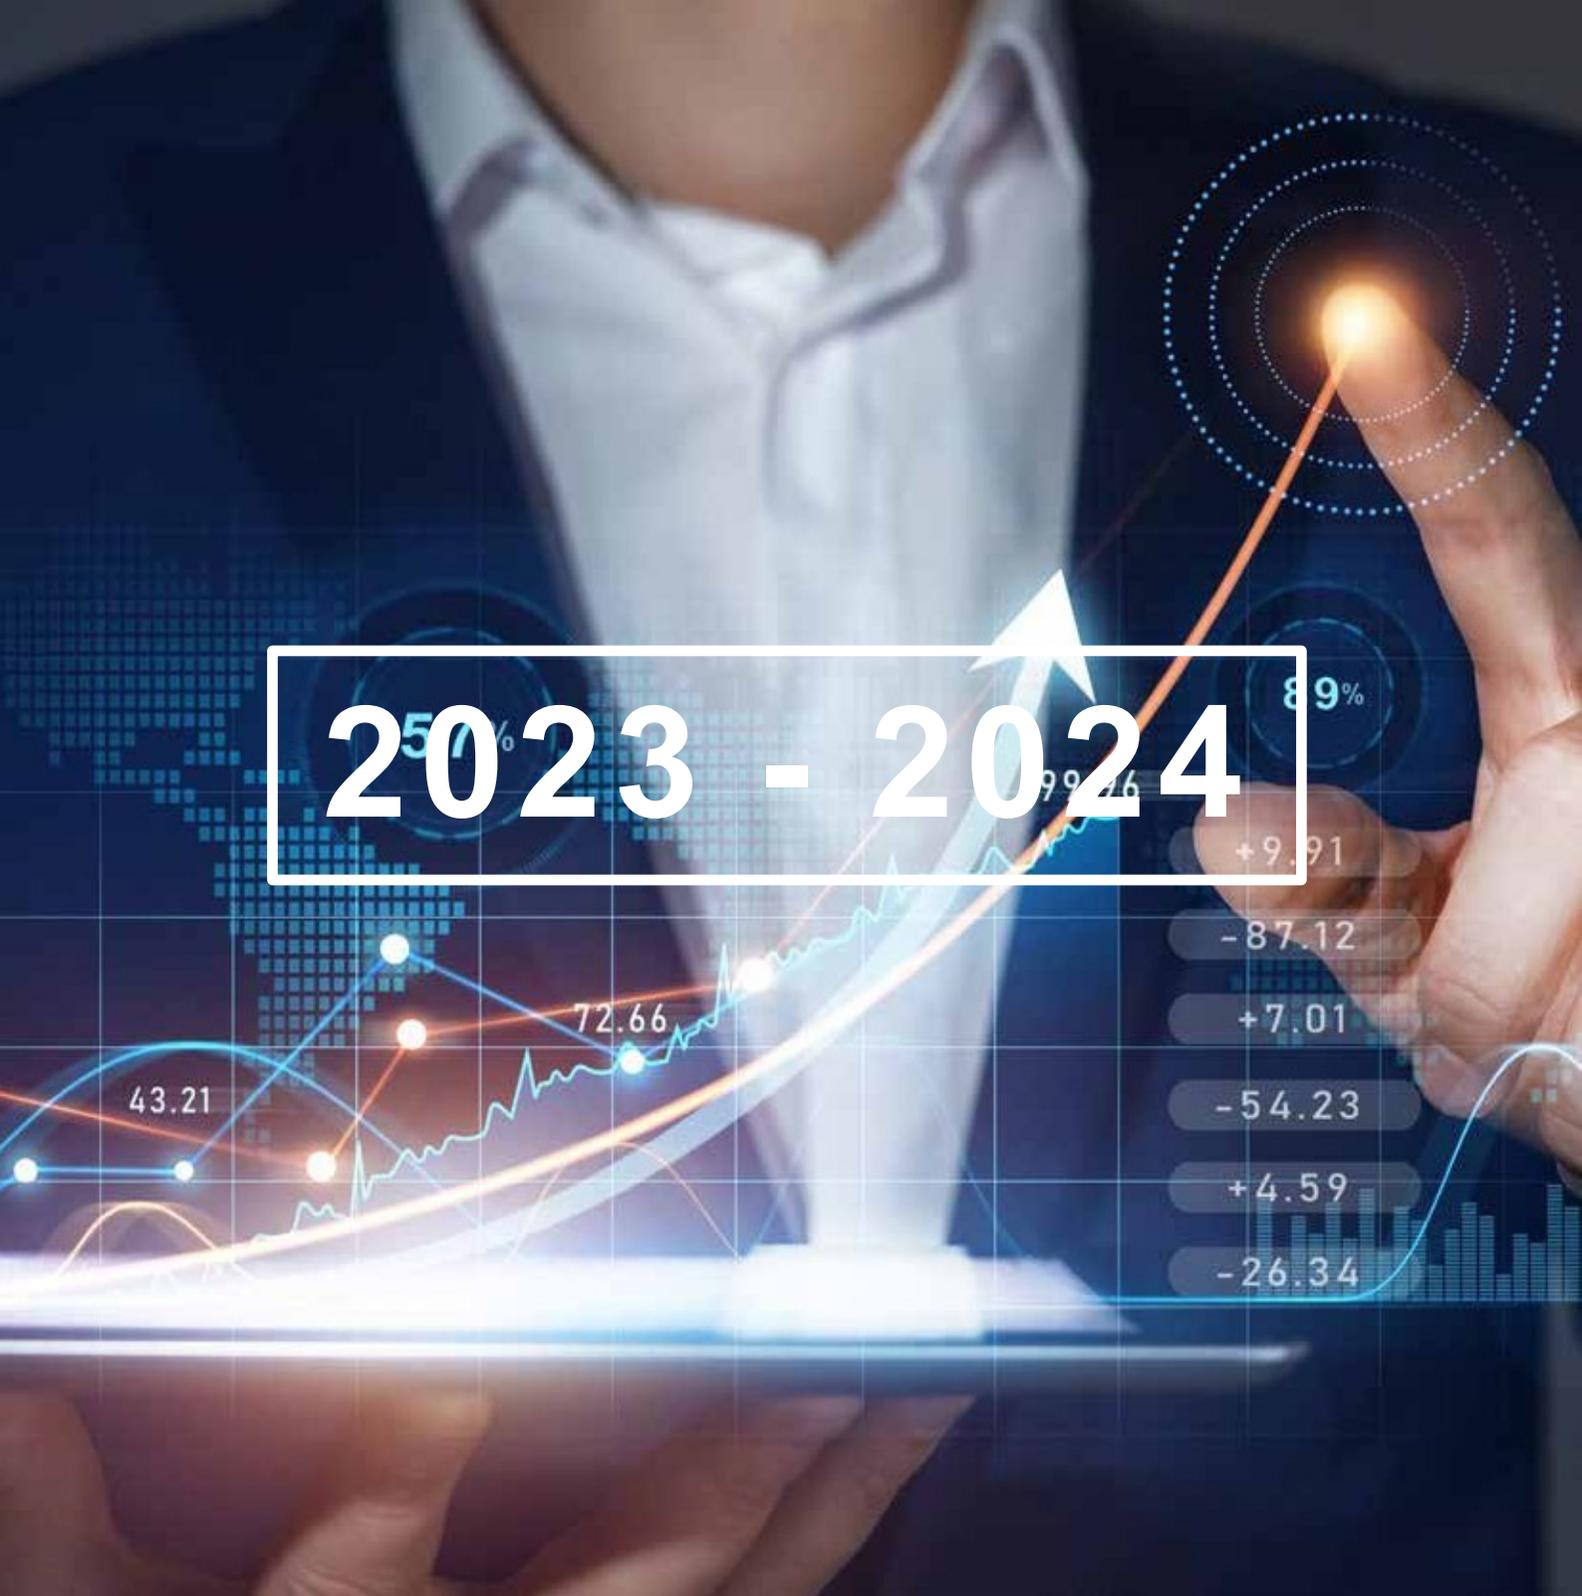

We are constantly expanding our warehouse capacity according to customer needs. We built a 250 m² warehouse in 2023, and in 2024 we started construction of a 1400 m² warehouse. In addition, a 10,000 m² building is in the planning phase.

TRANSPORTATION:

Our fleet of vehicles give us multiple opportunities to offer excellent customer service to you. Quality work does not depend on quantity or size. We always find a way.

WAREHOUSE LOGISTICS:

From the very beginning, our company has been providing warehousing services to its partners both at home and abroad. Our capacity is constantly expanding with our own warehouses.

HRT
INTERTRANS

HRT INTERTRANS

The youngest member of our group is HRT Intertrans Kft., founded in 2020. Despite its young age, it is the most dynamically developing unit of our group, which today fulfils a large number of orders with its own fleet of vehicles.

In 2024, we added more reefer - and mega semi-trailers, tractors to our transport capabilities.
In 2024, we increased both the number of transport assignments completed and our turnover.

GO GREEN

PLANT A TREE WITH US!

From 2022, we planted more than 5000 tree saplings.

We have installed solar panels in order to increase the carbon neutrality of our offices.

We have increased our plug-in and hybrid vehicle fleet as well.
