35,012 Students (Including 1,235 International Students)

Success Rate: 77% (2023/2024)

4,601 Teaching Staff

1,094 Administrative Staff

UNIVERSITY OF SFAX IN FIGURES

Overview of Degrees and Academic Programs Offered

- National Bachelor's Degree: **89** programs
- Research Master's Degree: **84** specializations, including **07** within the framework of international cooperation
- Professional Master's Degree: **103** specializations, including **11** co-developed (M2) programs
- Professional Master's Degree in Continuing Education: **07** specializations
- Doctorate Degree: **37** programs
- Preparatory Cycle: **05** programs
- Integrated Engineering Cycle: **02** programs
- Engineering Studies: **12** programs
- Doctor of Medicine Degree: **01** program

INNOVATION AND ENTREPRENEURSHIP: A STRATEGIC PILLAR FOR EXCELLENCE AT THE UNIVERSITY OF SFAX

C-INNOVENT Center (Center for Innovation, Entrepreneurship and Transfer),
including:

- **4C** – Career & Skills Certification
- **Center BUTT** – Technology Transfer Office
- **PEES** – Sfax Student Entrepreneurship Hub

Impact 2024–2025

758 participants in training/certification programs

461 certified students | **08** certified teachers

96 student entrepreneurs. **59** Initiators | **29** Innovators | **08** Promoters

05 events & workshops organized

51 students trained in entrepreneurship

121 participants in entrepreneurial events

SCIENTIFIC POTENTIAL AND INTERNATIONAL INFLUENCE OF THE UNIVERSITY: STRUCTURES, OUTPUT, AND PARTNERSHIPS

Strengthening of Scientific Research Structures

05 Doctoral Schools (covering various fields: legal sciences, humanities, economics, etc.)

88 Research Laboratories

12 Research Units

09 Joint Research Service Units (USCR)

03 Research Centers

STRATEGIC AXES FOR IMPROVING THE UNIVERSITY RANKING

Strengthen Research

- * Increase the quantity and quality of scientific publications, targeting prestigious journals.
- * Promote innovative and impactful research to improve citations.

Develop International Collaborations

- * Establish sustainable academic partnerships.
- * Encourage faculty and student mobility through exchange programs.

Improve the Training Offer

- * Adapt programs to enhance national attractiveness.
- * Attract more international students.
- * Optimize graduate employability.

Modernize Infrastructure

- * Invest in laboratories, libraries, and technological equipment.

STRATEGIC AXES FOR IMPROVING THE UNIVERSITY RANKING

Strengthen Strategic Communication

- * Highlight and promote academic achievements on a national and international scale.

Ensure Sustainable Funding

- * Diversify funding sources: public funds, private partnerships, project calls.

Promote Student Mobility

- * Develop exchange agreements.
- * Enhance the reception and support of international students.

Create Socio-Economic Partnerships

- * Collaborate with businesses for training, internships, and applied research.

Mobilize the Alumni Network

- * Engage alumni in the university's outreach and financial support.

STRATEGIC AXES FOR IMPROVING THE UNIVERSITY RANKING

- ❖ A strong tradition of commitment to the SDGs and future generations
- ❖ SDGs Annual Report

STABILIZE AND STRENGTHEN RESULTS: RECOMMENDATIONS FOR THE FUTURE

- ❖ Prepare an annual report on the university's activities related to the SDGs
- ❖ Establish a shared platform for data collection
- ❖ Plan meetings for the team one month before each data collection deadline
- ❖ Raise awareness about the need for greater institutional involvement
- ❖ Continue encouraging all researchers to use the University of Sfax affiliation templates in scientific publications
