ECHoS (2026 – 2031) in a nutshell

€15M+ Funding	60 Months	29 Participating Countries	61 Partners	8 EU organisations

A BOLD STEP FORWARD:

It consolidates the achievements from 2023-2026 but crucially evolves the concept of NCMHs into a sustainable and collaborative European Network.

From 2026 onwards

2026 – 2031

Shifts the focus to consolidation, capacity-building, and long-term sustainability

Reinforce NCMHs as convenors of cross-sector collaboration into a sustainable and collaborative European Network.

Moving from … to …

- Recognition to Advanced
- Pilots to Capacity-Building
- Fragmented efforts to a Network
- Awareness to Engagement
- National to Regional and Beyond
- Concept to Demonstration
- Focused actions to Strategic synergies
