

Practical Information for Contact-Contract Participants

How do I get to the Exhibition Centre?

We recommend using public transport. If you are travelling by public transport, it is best to get off at the 'Výstaviště/Exhibition centre' stop and enter through the main entrance. You can find the connections here. Please note that your ticket for the fair does not serve as a ticket for public transport.

If you are arriving by car, use the 3, 4, 7 or 8 entrance, which is closest to pavilion A1, where Contact-Contract is taking place. Parking in the open space costs 200 CZK per day.

Where can I park?

If you are arriving by car, please take into account the traffic congestion that always occurs on the access roads to the Brno Exhibition Centre during the MSV. Please allow yourself much more time than usual. Parking will be charged, and more information can be found here. You can check the availability of parking spaces online. You can also use the Expoparking car park – CZK 40/hour.

Which entrance should I use for the trade fair?

For Contact-Contract participants, the most convenient entrance to the grounds this year is **main entrance**. If arriving by car, choose the nearest entrance (follow the queue).

How can I get a ticket for MSV 2026?
