Amsterdam •

**Special events** 

### Carnival

Carnival was originally a Catholic celebration. It is celebrated in the three days before Ash Wednesday. Traditionally, the party lasts from Sunday to Tuesday evening, but in North Brabant, it lasts for a whole week. Prepare for a week full of costumes, Dutch music, beer, and fun energy.

### Glow

Glow in Eindhoven is one of the world's most visited light art festivals. This free light festival transforms Eindhoven for a week in November into an open museum with artistic light installations with the touch of tech that characterizes Brainport Eindhoven.

### **Dutch Design Week**

from home and abroad.

### Dutch Design Week is Northern Europe's largest annual design event, hosted in Eindhoven in October. It presents work and concepts from more than 2,600 designers to more than 355,000 visitors King. The

### King's Day

King's Day (April 27th) is when everyone in the Netherlands parties to celebrate the birthday of the King. The region gets covered in orange, the streets become a huge flea market, and parties are on every corner.

### What's in it for you

- Excellent high-quality education
- A multicultural student community
- English-taught university programs
- Flexible, personal & innovative studies
- First-rate universities & universities of applied sciences

### What makes us unique

- Technological & innovative region
- Monthly +3,000 English-speaking tech & IT jobs
- Opportunities to work in key technologies
- Career development & professional growth
- A well-connected hub at your fingertips

### **Nature & Urban areas**

### De Kempen

The Campine or De Kempen is a natural region in Brainport Eindhoven formed by the charming municipalities of Bergeijk, Eersel, Bladel, and Reusel - De Mierden. This area in the region is characterized by its rustic villages, forest, fen, and heath, next to exciting anecdotes and regional and border stories.

### De Groote Heide

De Groote Heide is a unique cross-border area in the region covering Heeze-Leende, Valkenswaard, and Hamont-Achel. This area is characterized by heathlands interrupted by woods, meadows, and fields. With the various villages and towns around, you sometimes feel that you are standing with one foot in a village and the other in the moorland.

### Land van de Peel

Land van de Peel is compromised by the municipalities of Gemert-Bakel, Helmond, Been en de Donk, Deurne, Asten, and Someren. Charming landmarks, castles, a national park, heathlands, forests, and a rich cultural history characterize this area.

### **Urban area**

Stedelijk gebied or the urban area of Brainport Eindhoven compromises the municipalities of Son en Breugel, Eindhoven, Nuenen, Mierlo, Geldrop, Waalre, Veldhoven. Oirschot, and Best. As its name says, this area is famous for its industrial feeling and a big degree of urbanization. You can find urban parks, museums, nightlife, theatre, and music here.
