

Who we are

WECAN serves as a network and platform for European cancer patient organisations to collaborate, learn, and align to strengthen European patient advocacy.

What we are working on

We advance patient-led education, research and policy to improve cancer care, access and outcomes across Europe.

What's the one thing we need next

Sustainable funding and committed partners to expand our capacity and turn patient priorities into lasting change.

THE CANCERSurvey IS LIVE!
A first-of-its-kind pan-European survey by WE CAN
co-created with cancer patients and carers.
