

ENTRE POSTALES

MIGUEL FEO

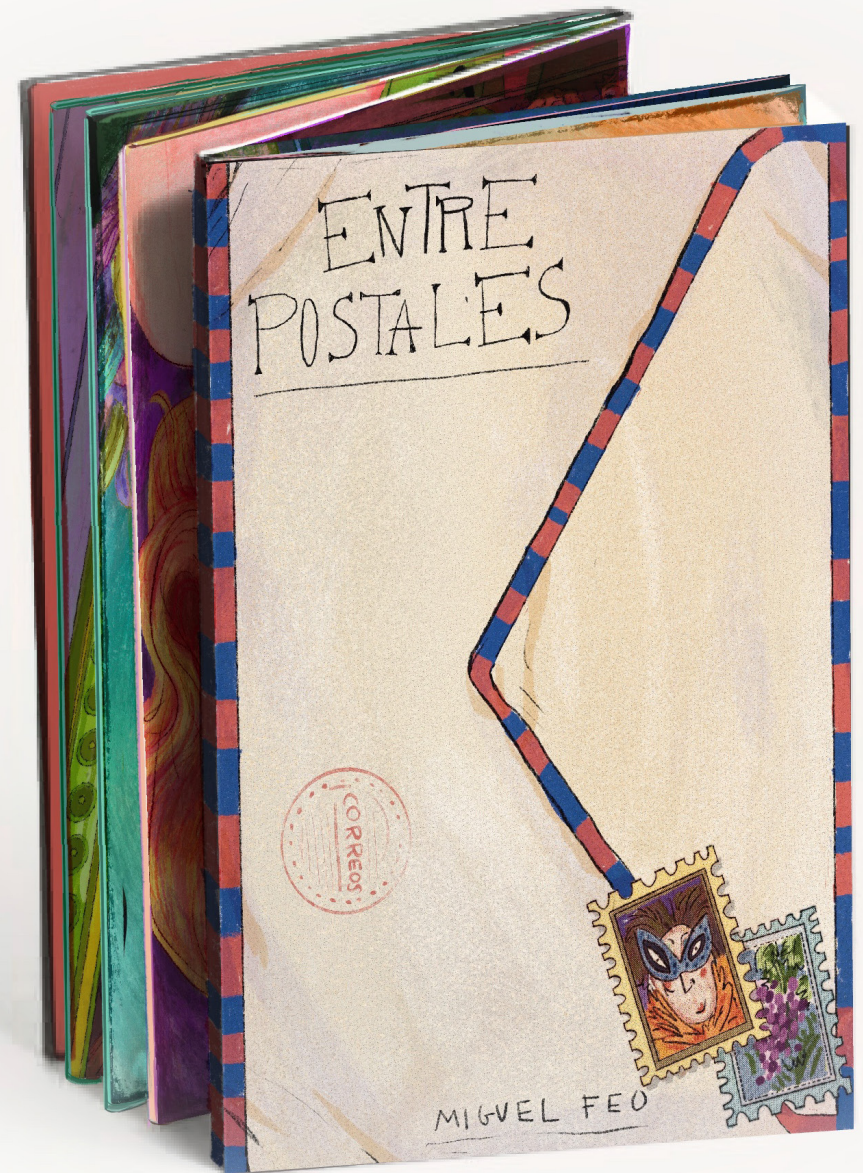

Proyect *Entre Postales* (Between Postcards)

We all have come to the conclusion at some point in our lives that the world is a small place. In the end, in one way or another, we are all connected.

Who knows if you end up meeting the Oscar winner thanks to your gossipy aunt Loli .Or ,perhaps, to the owner of that wine that gave you the hangover of the century due to her relationship with the third ex-wife of a one-armed boxer, who also has a feather emporium.

“Between Postcards” is developed based on the theory of the 6 Degrees of Separation, which talks about how 2 people from anywhere in the world are connected through 5 individuals.

Through a chain of photographs as a letter, we discover how the 1st and 6th person, without knowing it, are related to each other.

¡Qué desmadre de fiesta, qué follate! ¡
 Aunque la mañana siguiente tuvieras
 una resaca terrible.
 Trácese y ya le echamos de menos.
 Vivian

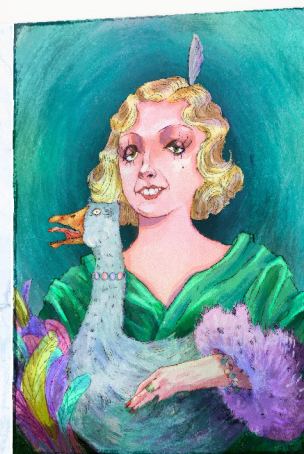

Está un año el seguir así polifando excesivamente.
 Las cosas exóticas han sido todas
 en cuanto. ¿Dónde tal está yendo
 el viaje de novios con Claire?
 Gloria

Está un año el seguir así polifando excesivamente
 a la dulce vida nocturna.
 Después en la abundancia de tu mujer
 y veinte amigos.

 Aquí estamos celebrando el aniversario
