

# SUSTAINN

Circular  
Economy.  
Sustainable  
Future

“

We guide organizations  
towards circular economy  
and a truly sustainable  
future.

# We are Sustainn.

## Values

**Excellence.** We are what we do every day, in every activity and for everyone. We pursue excellence, not as an act, but as a habit.

**Passion for Sustainability.** We work with our heart to contribute to a lasting and sustainable world and a zero-waste society.

**Cooperation and Collaboration.** In our spirit of cooperation, we share our knowledge, learnings and creativity with all our stakeholders.

**Diversity, Equality and Inclusion.** We integrate a diversity of skills, perspectives and ideas to improve the development, autonomy and people's quality of life, as well as equal opportunities between women and men.

**Transparency.** We do what we say and we say what we do.

## Mission

Guide organizations towards a circular and sustainable economic model through innovation, consultancy services and sharing our knowledge

## Vision

Our vision is to lead people and organizations to jointly build a sustainable, fair and transparent society.

# SHAPING THE FUTURE

---

CIRCULAR DESIGN

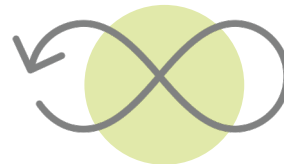

Zero waste zero emissions

Environmental, economical, social

# AENOR

The background of the entire image is a close-up photograph of green leaves, some of which are covered in small, clear water droplets. In the center of the image, there is a semi-transparent grey circle with a thin white border. Inside this circle, the words "THANK YOU" are written in a bold, white, sans-serif font, stacked vertically.

**THANK  
YOU**
