B2match Agenda (see also [b2match support](#))

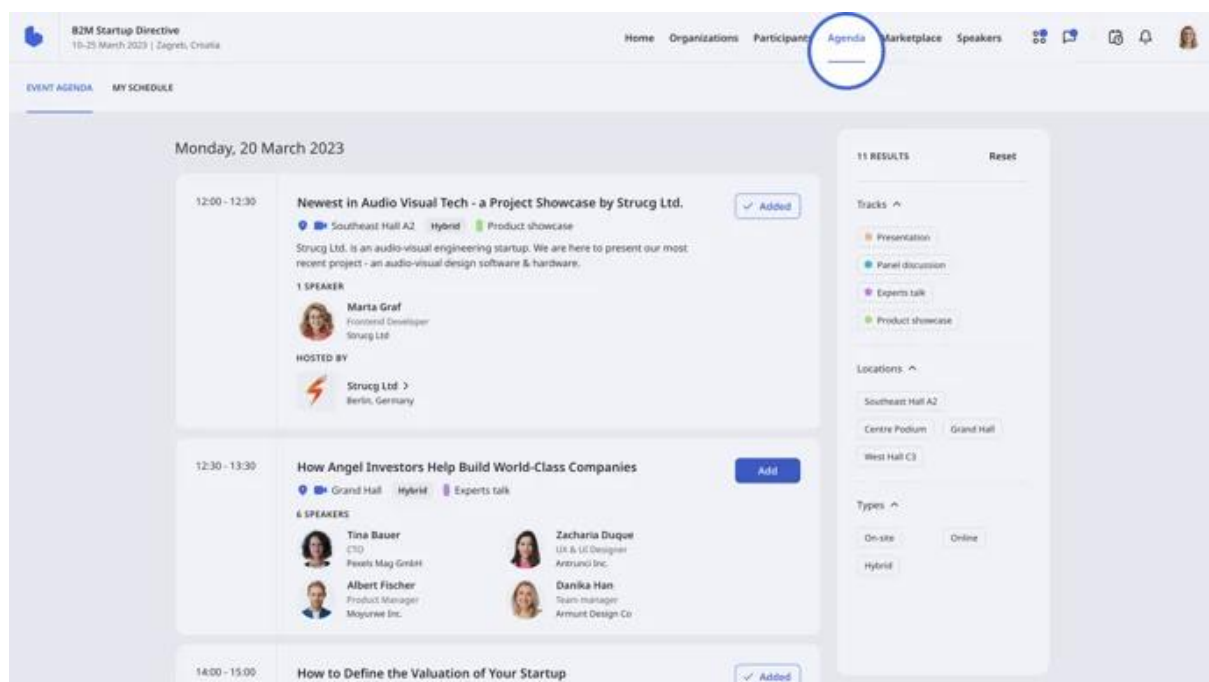

Our EGC2025 event offers you the opportunity to learn from different speakers in more than 40 Sessions. With so many activities happening, it's difficult to keep track. This is where an event agenda can help.

The agenda outlines all activities and helps you to have a clear overview of the event.

How can I access the agenda?

Please note that you must first [log in to your personal b2match account](#)

On the [event page navigation](#), click on Agenda to view the whole event agenda.

Here, you will see all sessions on the event categorized by date, tracks or location. Under each date, you will see cards with information about sessions held on that day.

How can I find relevant sessions?

Every event consists of different sessions you can participate in, but it is impossible to attend every single one. This is why it is important to find sessions that may be suitable for you.

➔ Filters can help you search for relevant sessions.

On the right side of the Agenda page, you will see all the filters you can use to search for sessions. Sessions can be filtered by tracks, topics, location, and session type.

The screenshot displays the 'Agenda' page of the European Geothermal Congress 2025. The page is divided into two main sections: a list of sessions on the left and a filter sidebar on the right.

Session Listings:

How can I register for a session?

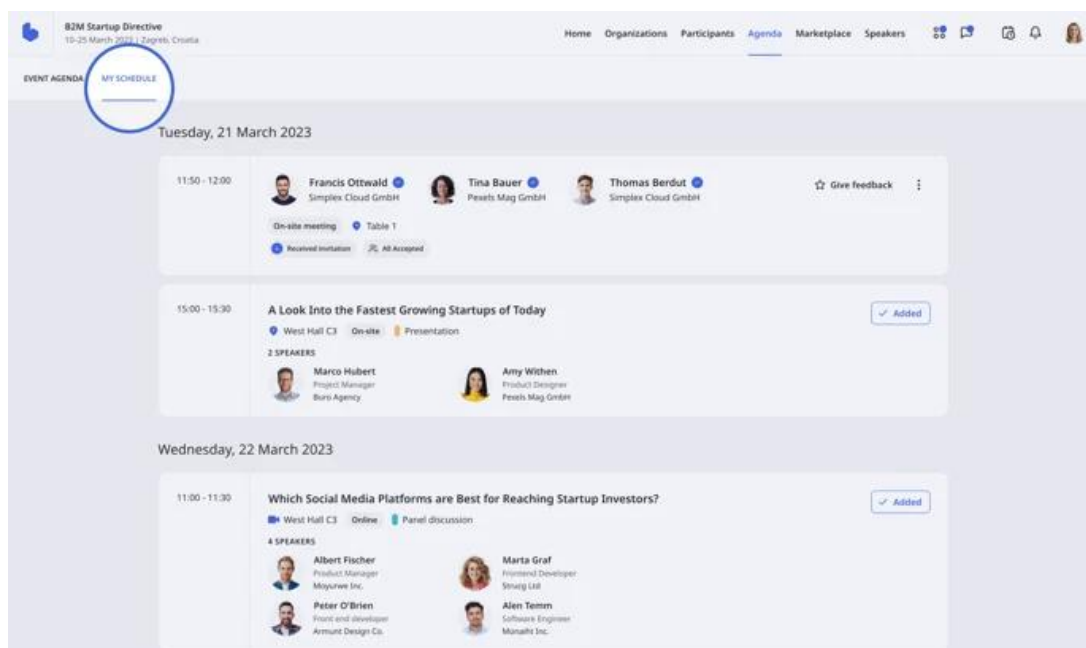

The first step to registering for a session is to open your agenda. On the event navigation, [click on Agenda](#). Here, you will see all sessions at the event.

To register for a session, simply click on the **Add button** on the session card.

If you want to deregister for a specific session, **click on the Added button** which will appear instead of the Add button.

You can see the sessions you are attending on the [My schedule tab](#) on the Agenda page.

On the My schedule tab, you can see all the sessions, hosted sessions, and meetings you are attending categorized by date.

How can I register for a Site Visits?

Participants with tickets for Site Visits on Friday 10th should select their desired Site Visits.

Under Agenda, you can [select Friday, 10 October](#) and view the 10 available Site Visits. By clicking on a specific Visit, you can view the detailed programme. Once you have made your choice, click on ADD for the Visit of your choice.

The screenshot shows the website interface for the European Geothermal Congress 2025. The header includes the event title, dates, and navigation links: Home, Agenda, Participants, Speakers, and icons for chat, calendar, and notifications. Below the header, there are tabs for 'EVENT AGENDA' and 'MY SCHEDULE', and a 'Subscribe to calendar' button. A time zone notification states: 'All times are displayed in the default time zone of the event (Europe/Zurich, currently: 17:38).'. The main section is titled 'Friday 10 October 2025'. It features a list of site visits, with the first one highlighted: 'Visit Riehen (hydrothermal District Heating system)' from 08:00 to 15:30. This visit is marked as a 'Site Visit' and includes a description: 'The geothermal plant in Riehen is the largest and also the oldest plant of its kind in Switzerland'. A red circle highlights the 'Add' button next to this visit. On the right side, there is a sidebar with '10 RESULTS' and a 'Reset' button. Under 'DAYS', 'Fri, 10 Oct 2025' is selected with a green checkmark and circled in red. Below this, the 'TRACKS' section lists four options: 'Opening and Closing Ceremony', 'Semi-Plenary', 'Technical Session', and 'Break - Networking - Exhibitions'.

If you don't have a ticket for Friday Site Visits but would like to attend a Visit, please contact the organisers so that we can issue you with an additional ticket for €70.

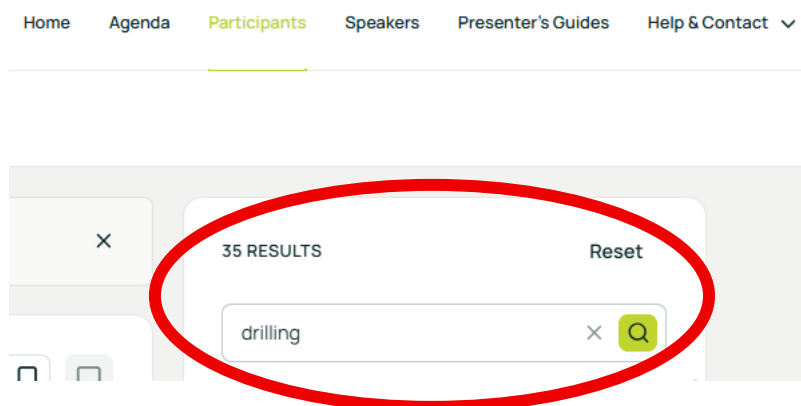

1-to-1 Meetings

Complete your profil

Please complete your profile in detail (about your skills and interests, your organisation) so that other participants can get to know you better and select you for 1-to-1 meetings -> [Go to my profile](#)

In the [participants section](#), you can select keywords in "Search participants" to find other participants with whom you would like to exchange ideas in a 1-to-1 meeting.

Book -to-1 Meetings (Available only from Monday 25 August)

(see also [B2match support](#) or ask to ernst-jan.vanhattum@innosuisse.ch)

In your [Dashboard](#), go to "Book Meeting" (Available only from Monday 25 August)

Hello

Congratulations on successfully registering for the The European Geothermal Congress 2025 | EGC 2025. Follow the steps below to finish setting up your networking profile and explore its possibilities.

Next Steps

Book meetings

You can request 48 more meetings until 7 October 2025, 00:00.
