

MAKE INNOVATION YOURS

EuroVértice is a **SME** specialized in European policies and financing, born in 2006 in Murcia (Spain). In the last 18 years EuroVértice has been helping our clients to change the world with their ideas through support funding in almost all European programmes, gaining more than **200 million euros** in subsidies and creating a network of more than **500 international partners** all over Europe.

EuroVértice has participated in **Horizon Europe, LIFE, Eurostars, PRIMA, Connecting Europe Facility, Interreg Europe, EuroMED, SU-DOE, Interreg Next Med, Erasmus+, CERV, AMIF**, among others. Also, our company has supported regional and local authorities in the first steps towards **Next Generation EU** identifying projects and providing consultancy.

EuroVértice counts with a **multidisciplinary team**, highly qualified knowledge in different fields (engineers, architects, environmentalists, lawyers, economists, anthropologists) with proven experience in EU project design and management with **24 professionals**.

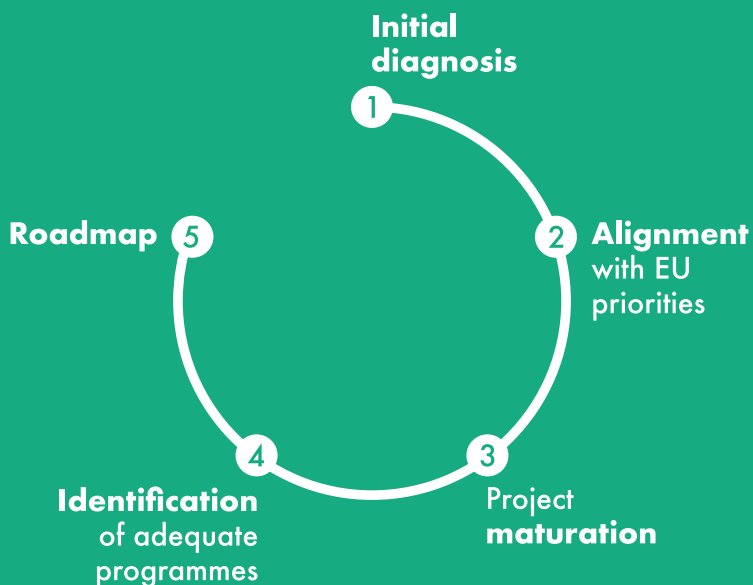

EuroVértice works closely with all the members of our Regional Innovation Ecosystem, including municipalities, regional public administration bodies, Universities, Technological and Investigation Centres, private sector, and associations. With the same spirit we work with different agents of innovation ecosystem from all over Spain.
