UNCREWED DAY **ONE**: BUILD WITH UKRAINE

15 Sept. 26, Cannes

WHERE OPERATIONAL EXPERIENCE MEETS EUROPEAN INDUSTRIAL CAPABILITY

UNCREWED DAY **ONE** brings together grassroots innovation born from operational urgency with Europe's most advanced industrial and technological capabilities.

By connecting frontline ingenuity with high-tech expertise, it creates a unique environment where real-world constraints meet scalable solutions.

In a context of accelerating threats and industrial transformation, this dialogue enables faster alignment, sharper decision-making, operational expertise sharing, and the emergence of concrete partnerships, turning innovation under pressure into industrial strength.

UNCREWED DAY 2&3: THE PLACE TO B2B

16 & 17 Sept. 26, Cannes

WHERE DEFENCE AND SECURITY ACTUAL NEEDS CONNECT WITH RELEVANT SOLUTIONS

UNCREWED DAY 2 & 3 provide a structured framework bringing together **solution providers** and **end-users from public and private sectors** through a curated programme of pre-qualified business meetings.

Over two days, participants engage in a series of 12 to 14 pre-scheduled 25-minute meetings, based on prior alignment of operational needs and technological capabilities.

This format ensures focused, **relevant and time-efficient** exchanges.

The model is built on a rigorous matchmaking platform, enabling participants **to optimize the allocation of time and resources**.

Conducted within a confidential and controlled setting, these exchanges support informed dialogue, facilitate mutual understanding, and contribute to the progressive structuring of relationships across the unmanned and security ecosystem.
