Slip sheet operation

Labelling  
Reworks  
Various stock-take types

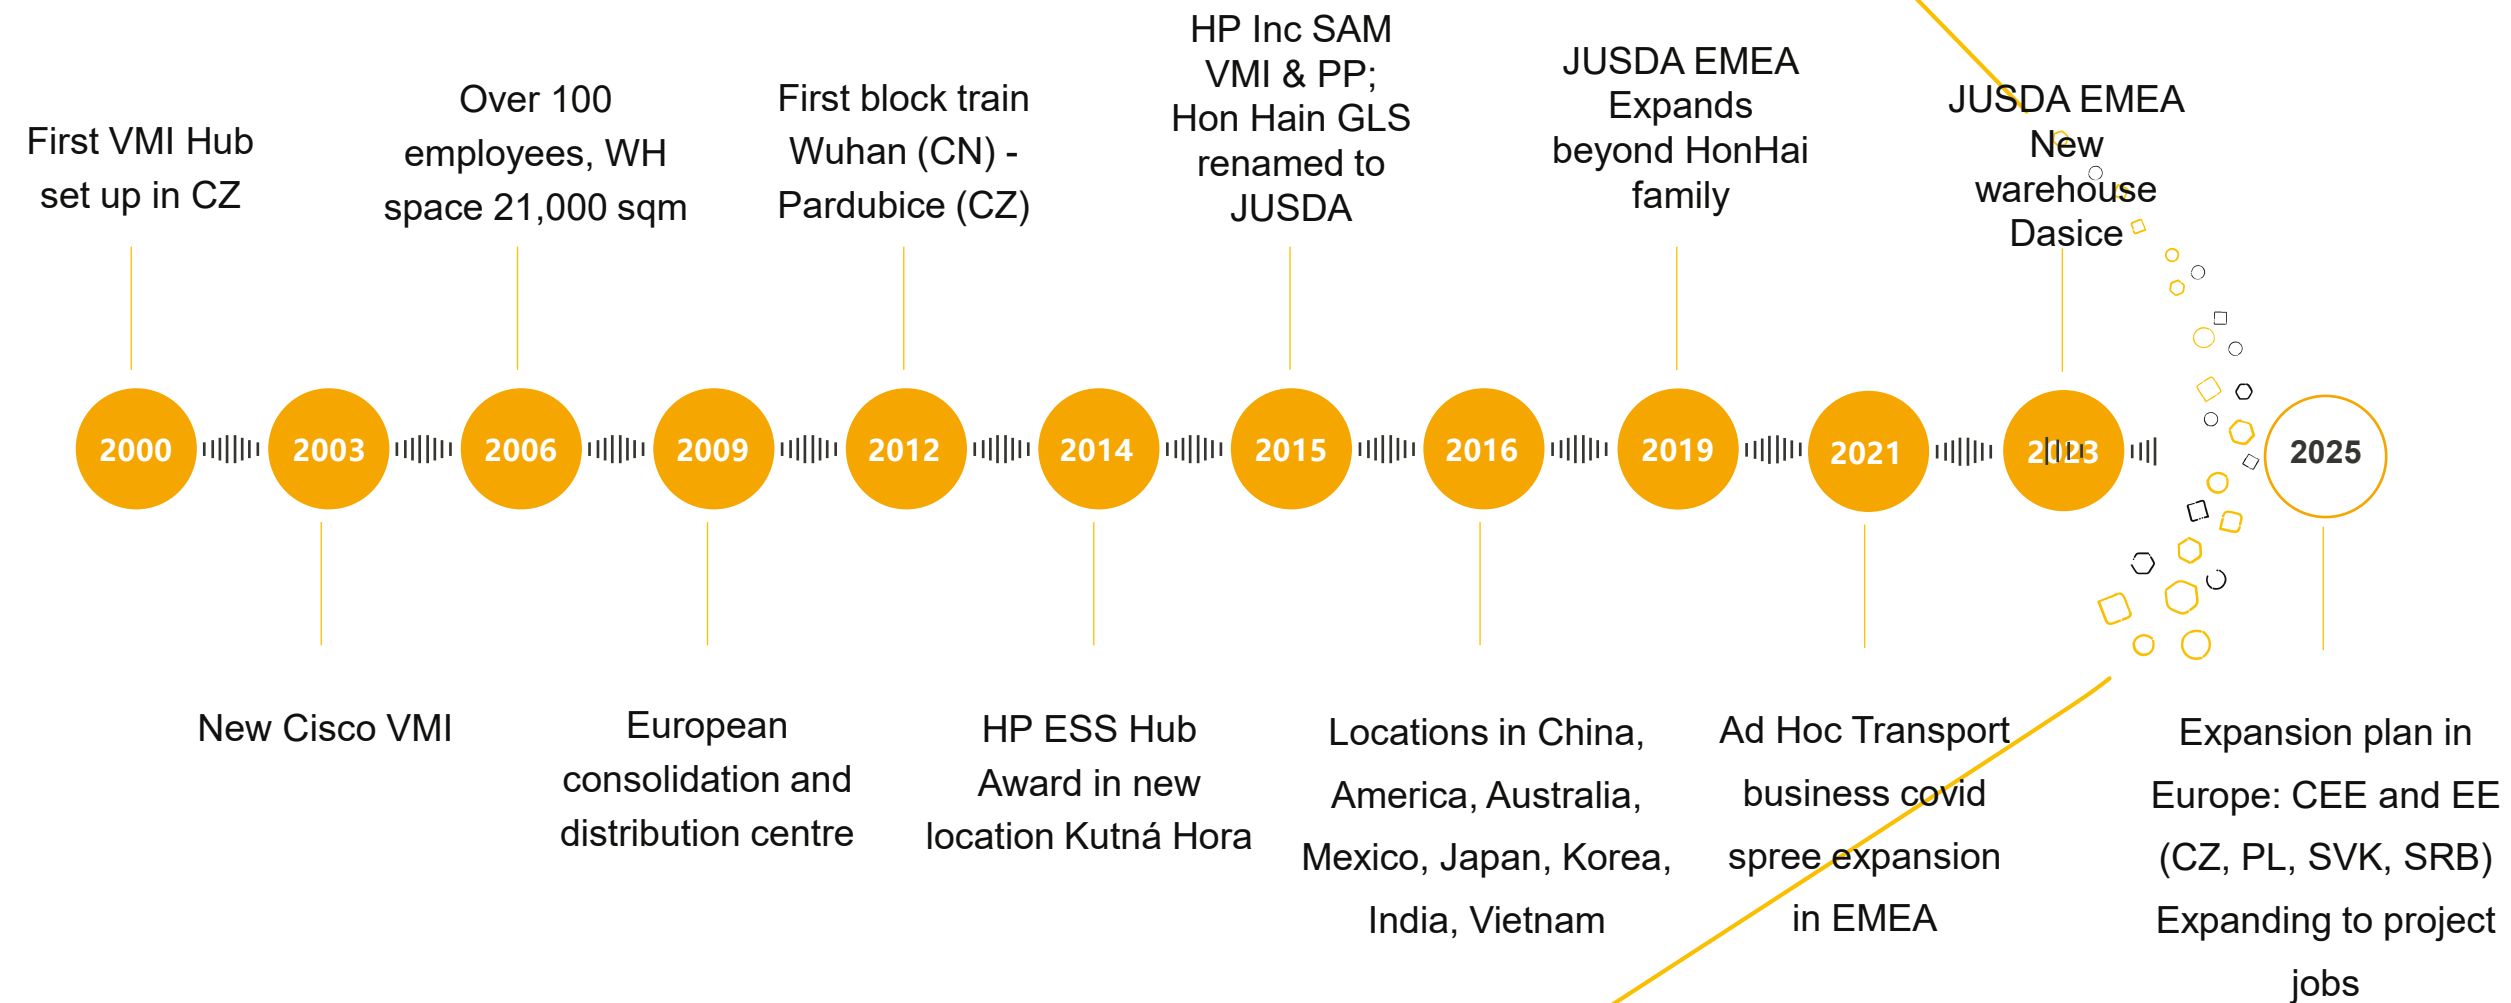

# Battery warehouse - Dašice

- Modern warehouse 15 000 sqm
- Fire safety prepare for Li-on battery
- Stored capacity up to 500 000 kWh
- Location Dašice v Čechách (Pardubice)
- ISO9001, ISO14001, ISO45001
- Security TAPA A

# JUSDA Europe Milestones

# **Planned Business Strategy Initiatives for 2025**

- **Cross-Dock Warehouse for e-commerce**
- **Intermodal Solution**
- **B-Class Warehousing Capabilities**
- **ESG Solutions**
  - Full ESG agenda management outsourcing for customers
  - Greener transportation alternatives
- **Europe–India Trade Connection**
- **Europe–Vietnam Trade Connection**
- **Road Transport Solutions for Southeast Europe**
- **Europe–Africa (Morocco) Trade Connection**
- **Logistics Outsourcing Solutions (LSP)**
- **Battery train from China to Europe**

# Regional Expansion & Strategic Markets

1

## Middle East

- **Turkey** → key logistics hub between the EU and Asia
- **Azerbaijan & Kazakhstan** → support for the energy sector, Baku-Tbilisi-Kars railway connection

2

## Africa

- **Morocco, Egypt & Tunisia** → logistics hub for connecting the EU with Africa

3

## Asia

- **China** → leveraging our HQ, Jusda Europe local sales presence, and demand from Chinese companies expanding into Europe
- **India & Vietnam** → new trade routes between Asia and Europe

Expanding in Key Regions – Strengthening Market Presence

# Target Industries for Strategic Growth

## IT/Hi-tech & Electronics

Cloud services, hardware for AI and automation, Smart Home& IoT, Industrial electronics and smart buildings

## Green Technology & Renewable Energy

Solar panels, wind turbines, battery storage solutions

## Automotive

Supply chains for electromobility (batteries, electronics, lightweight materials), Spare parts and aftermarket solutions

## Construction Materials

Sustainable materials, prefabricated units, insulation materials, and eco-construction materials

## Digital Healthcare & Biotechnology

Laboratory equipment, medical devices, digital health assistants, wellness and rehabilitation equipment

## Other FMCG – Premium & Healthy Products

Functional foods and nutritional supplements, premium and eco-friendly products.

## Military & Dual-Use Goods

Drones, autonomous systems, defense and security technology

## Chemical Products

Specialized chemicals for high-tech applications, green chemistry.

## Machinery & Industrial Automation

Robotics,, 3D printing, Industry 4.0 and smart factories, transport and industrial machines.

## WAREHOUSE SOLUTION

### Capacity:

**95,000 m<sup>2</sup>**

We have 25 years of experience with different market segments.

## VALUE-ADDED SERVICES

**25 years** of experience in European logistics and warehousing JUSDA Offices in **15 countries**.

Headquarter in China and **48** own operated VMI hubs in China. Ranked **6<sup>th</sup>** of China's top 100 B2B logistics enterprises.

JUSDA Europe is **ISO 9001, ISO 14001, ISO 45001** and **TAPA A** certified.
