

About Us

We are an India-based brand crafting premium handwoven natural silk products — scarves, wraps, shawls, and stoles. Rooted in tradition and driven by conscious craftsmanship, every piece we create carries the integrity of a fully traceable, fibre-to-fabric Indian supply chain.

Product Range

- Handwoven Silk Scarves
- Silk Wraps & Shawls
- Silk Stoles
- Custom weave collections tailored to client briefs

Our Process & Values

- 100% traceable supply chain — fibre to finished fabric, entirely from India
- Handwoven using traditional techniques — minimal electricity, low carbon footprint
- Zero chemicals used in the production process
- Natural sunlight drying — no industrial finishing
- Natural colours available; Azo-free dyes used on client request

Quality & Market Presence

- Trusted and appreciated in the European market for design excellence and fabric quality
- Each piece reflects artisanal precision with consistent quality standards

What We Offer Clients

- Custom weave development as per your design, colour, or collection brief
- Flexible MOQ — accessible minimums, unlike large industrial suppliers
- One-of-a-kind collection projects for exclusive or limited-edition requirements
- Collaborations with government agencies, institutions, and cultural bodies
- Experiential handloom unit tours for sourcing teams or brand storytelling

Why Work With Us

- Ethical, sustainable, and fully transparent production
- Deep craft knowledge with modern design sensibility
- Agile and client-focused — from sampling to delivery
- A product that carries a genuine story — ideal for conscious brands and retailers
