

EUROPEAN UNION

Understanding cancer and importance of data exchange part 2: improving access and sharing of cancer data

**5 years Cancer Mission:
Stronger Through Connection**

BRUSSELS
29 SEPTEMBER – 01 OCTOBER

Dr Robbe Saesen

Sciensano Cancer Centre and
coordinator of eCAN Plus

5 years Cancer Mission:
Stronger Through Connection

Enhancing digital capabilities
of cancer centres in Europe

Joint Action eCAN Plus

OBJECTIVES

To implement a comprehensive **training programme** for **digital skills** development.

To **enhance digital collaboration** among cancer centres.

To explore clinical **telemedicine applications** in different **settings of cancer care**.

To bolster **preparedness for the European Health Data Space's** (EHDS) implementation.

Join our **Community of Practice!**

Co-funded by the European Union (EU4Health Programme; Grant N° 101219434). Views and opinions expressed are however those of the authors only and do not necessarily reflect those of the European Union or HaDEA. Neither the European Union nor the granting authority can be held responsible for them.
