NOMAD ENERGY BOX

SOLAR GENERATOR

Renewable energies company

INDEX

01 **About us**

02 **Our offer**

03 **What makes us unique**

04 **Our product**

05 **Markets**

Everything you need to generate solar power, **in a box.**

ABOUT US

We ease the **energy transition** for corporations of all kinds, helping to create a more sustainable environment.

We place **innovation** at the core of the development of our mobile photovoltaic solutions.

We provide **flexibility** and **mobility** in the renewable energy environment.

OUR OFFER

Mobility and agility: Solar generator installed in less than **3 hours**.

Renewable energy: All in a box.

Versatility and self-sufficiency: Solution adapted to the specific requirements of each market and customer.

Immediacy: Short installation (folding and deployment) times and minimum requirements.

WHAT MAKES US UNIQUE

Market-ready with **storage options** to optimize the inverter.

Tailored to meet *your* **specific needs** with customizable options.

Ready for **certified transport** on trucks and ships (CSC).

Designed to be deployed in **parallel systems**.

Ground-fixing options available.

We offer the most up-to-date and optimized components for each situation ensuring the best choice.

PRODUCT

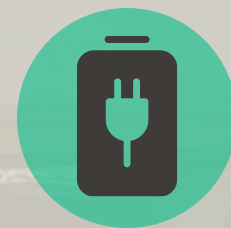

10 and 20-foot solar power generators with ratings up to **46 and 107 kWp**.

On-grid model: Connects to the power grid.

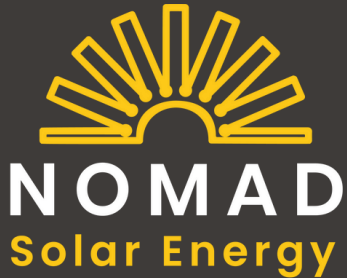

Hybrid model: Connects to diesel generator, batteries and/or grid.

Off-grid model: Standard solution from 25 to 350 kW storage battery.

NOMAD ENERGY IN A BOX

PRODUCT

NOMAD 10' – 43 kWp

NOMAD 20' – 107 kWp

OFF-GRID STORAGE OPTIONS

Lite Battery

Power: 50 kW
Capacity: 50 kWh

Potent Battery

Power – 175 kW
Capacity – 350 kWh

MARKETS

Industrial self-consumption

Temporary concessions

Defense and Humanitarian

Agriculture, irrigators and wineries

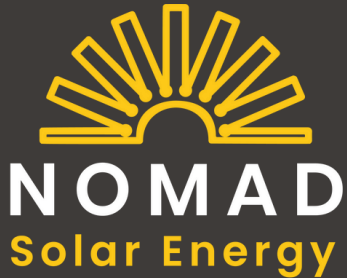

Events and shows

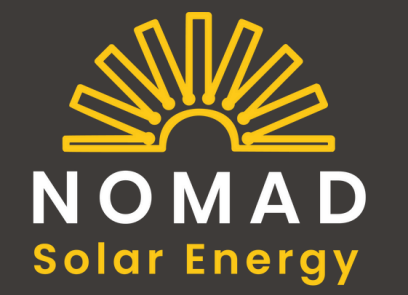

Mining, construction, oil and gas
