Let's innovate energy together!

Register now and join us for a full day of networking, new knowledge and business opportunities across the Energy Industry!

Energy Innovation 2024 is your opportunity to establish new connections and build new relations in the Energy sector. The event in November invites the entire energy value chain; from operators and OEMs to SMEs, specialists, researchers and representatives from universities.

We're excited to bring together thought leaders, innovators, and enthusiasts from the energy sector for one day of inspiring networking opportunities.

Energy Innovation 2024 unites the industry players.

Networking opportunities: The event provides a great opportunity to meet and connect with like-minded individuals, as well as experts in your field. You can make valuable connections that can help you grow your career or business.

Knowledge sharing: The event features expert speakers who share their insights and knowledge on a particular topic. This can provide attendees with new ideas, perspectives, and strategies that they can apply to their work or personal life.

Inspiration: Attending the event can be inspiring, providing participants with new ideas and motivation to achieve their goals.

Build brand awareness: If you're a business owner or entrepreneur, attending the event can be a great way to build brand awareness and connect with potential customers or clients.

Collaborate with others: The event is a great opportunity to collaborate with others in your field or industry. Participants can meet potential partners, collaborators, or even competitors and share ideas and insights.

Have fun: Lastly, the event will offer a chance to get out of the office or home, socialize with others, and enjoy new experiences.

Registration is open from **August to November 25th 2024** at noon.

1) Registration

Open from August to November 25th at noon.

2) Create your profile to showcase who you are and for what are you looking for

Create a clear and concise profile to raise your visibility on the b2match platform.

Your profile should describe who you are, what you can offer to potential partners, and who you want to meet. Don't forget to add a pitch, biography, your skills and interests to your profile. A good networking profile will generate significantly more meeting requests.

3) Browse profiles of attendees

Go to the participants list to find out who you could meet at the event and who is offering interesting and promising business opportunities. Use the filters on the right or browse through your AI Profile recommendations in the My Matches section to narrow down your selection and find the most suitable collaboration partners that match your goals and interests. This allows you to maximize your chances of making valuable connections and achieving successful outcomes at the event.

4) Send & receive meeting requests

Browse participant profiles and send meeting requests to those you want to meet during the event. Send out messages to interesting participants to introduce yourself and initiate conversations even before the event to establish stronger connections.

5) My schedule and meetings overview

Access your meetings in My Schedule or Meetings, where you have your complete schedule for the event, as well as the list of your meetings. If it is a virtual meeting, check your camera and microphone before joining, and don't be late!

6) Matchmaking Event

At the venue on November 27th, you will find meeting tables with numbers. Your personal meeting schedule states who you are meeting with, at which table and at what time.
