## CHATEAU MAYNE-VIEIL 2020

AOC FRONSAC

*Château Mayne-Vieil is a 100 % merlot wine and the vineyard has famous neighbors like Pomerol and Saint-Emilion (five miles away both).*

### VINEYARD

High density vineyard to produce quality grapes. The yields are limited thanks to permanent grassing and green harvesting in August. The whole vineyard has the leaves blown off on one side to allow an optimal ripeness of the grapes.

### WINE MAKING

Traditional bordelaise wine making by three weeks maceration in thermo regulated tanks. 20 % of this blend is aged in oak recent barrels during one year.

Made and bottled by ourselves to ensure quality and originality. We do not buy grapes.

### TASTING

**Color:** good clarity, deep purple hue, intense and bright

**Aroma:** nose very fine of small red fruits, strawberries jam

**Palate:** sweet, long, with a finish with a little good tannin
