CYCLE COMPETENCE
AUSTRIA

CYCLE NETWORK

Connected cycle
paths bring safety
and comfort

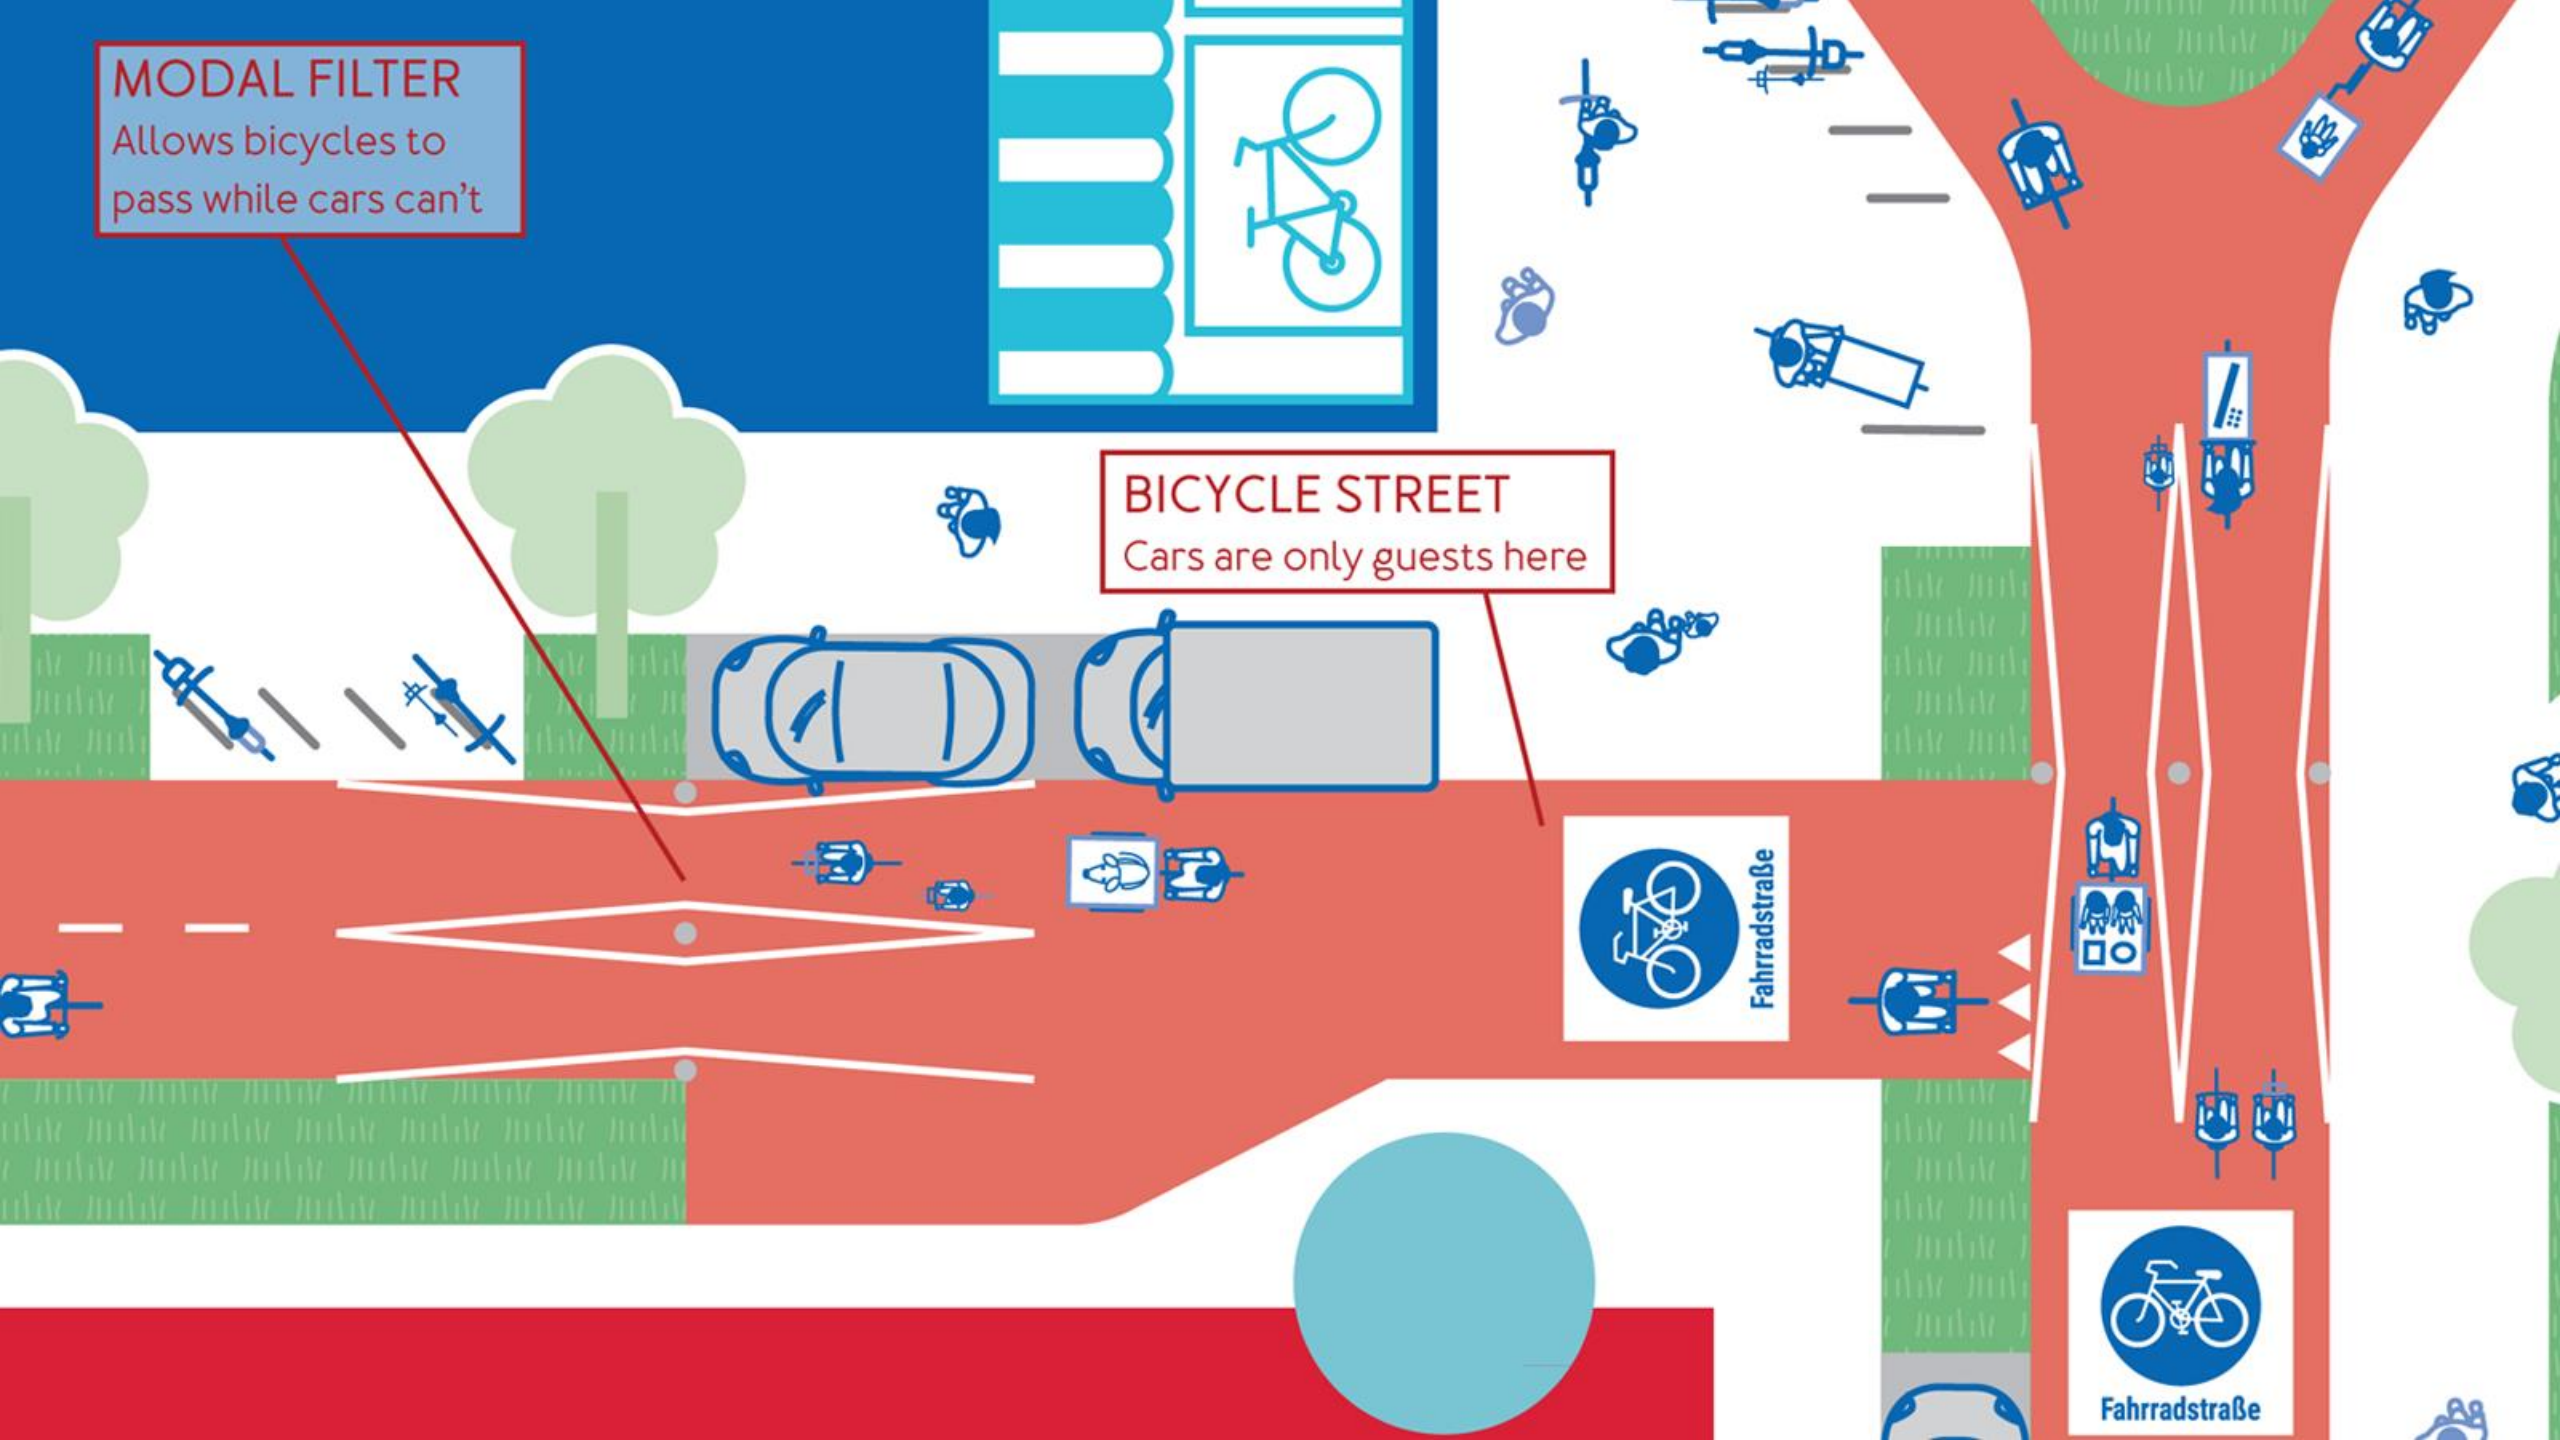

INCLUSIVITY MATTERS

Think of all vulne-
rable road users

MODAL FILTER
Allows bicycles to
pass while cars can't

BICYCLE STREET
Cars are only guests here

BICYCLE GARAGE

Intermodal comfort with
safe bike parking

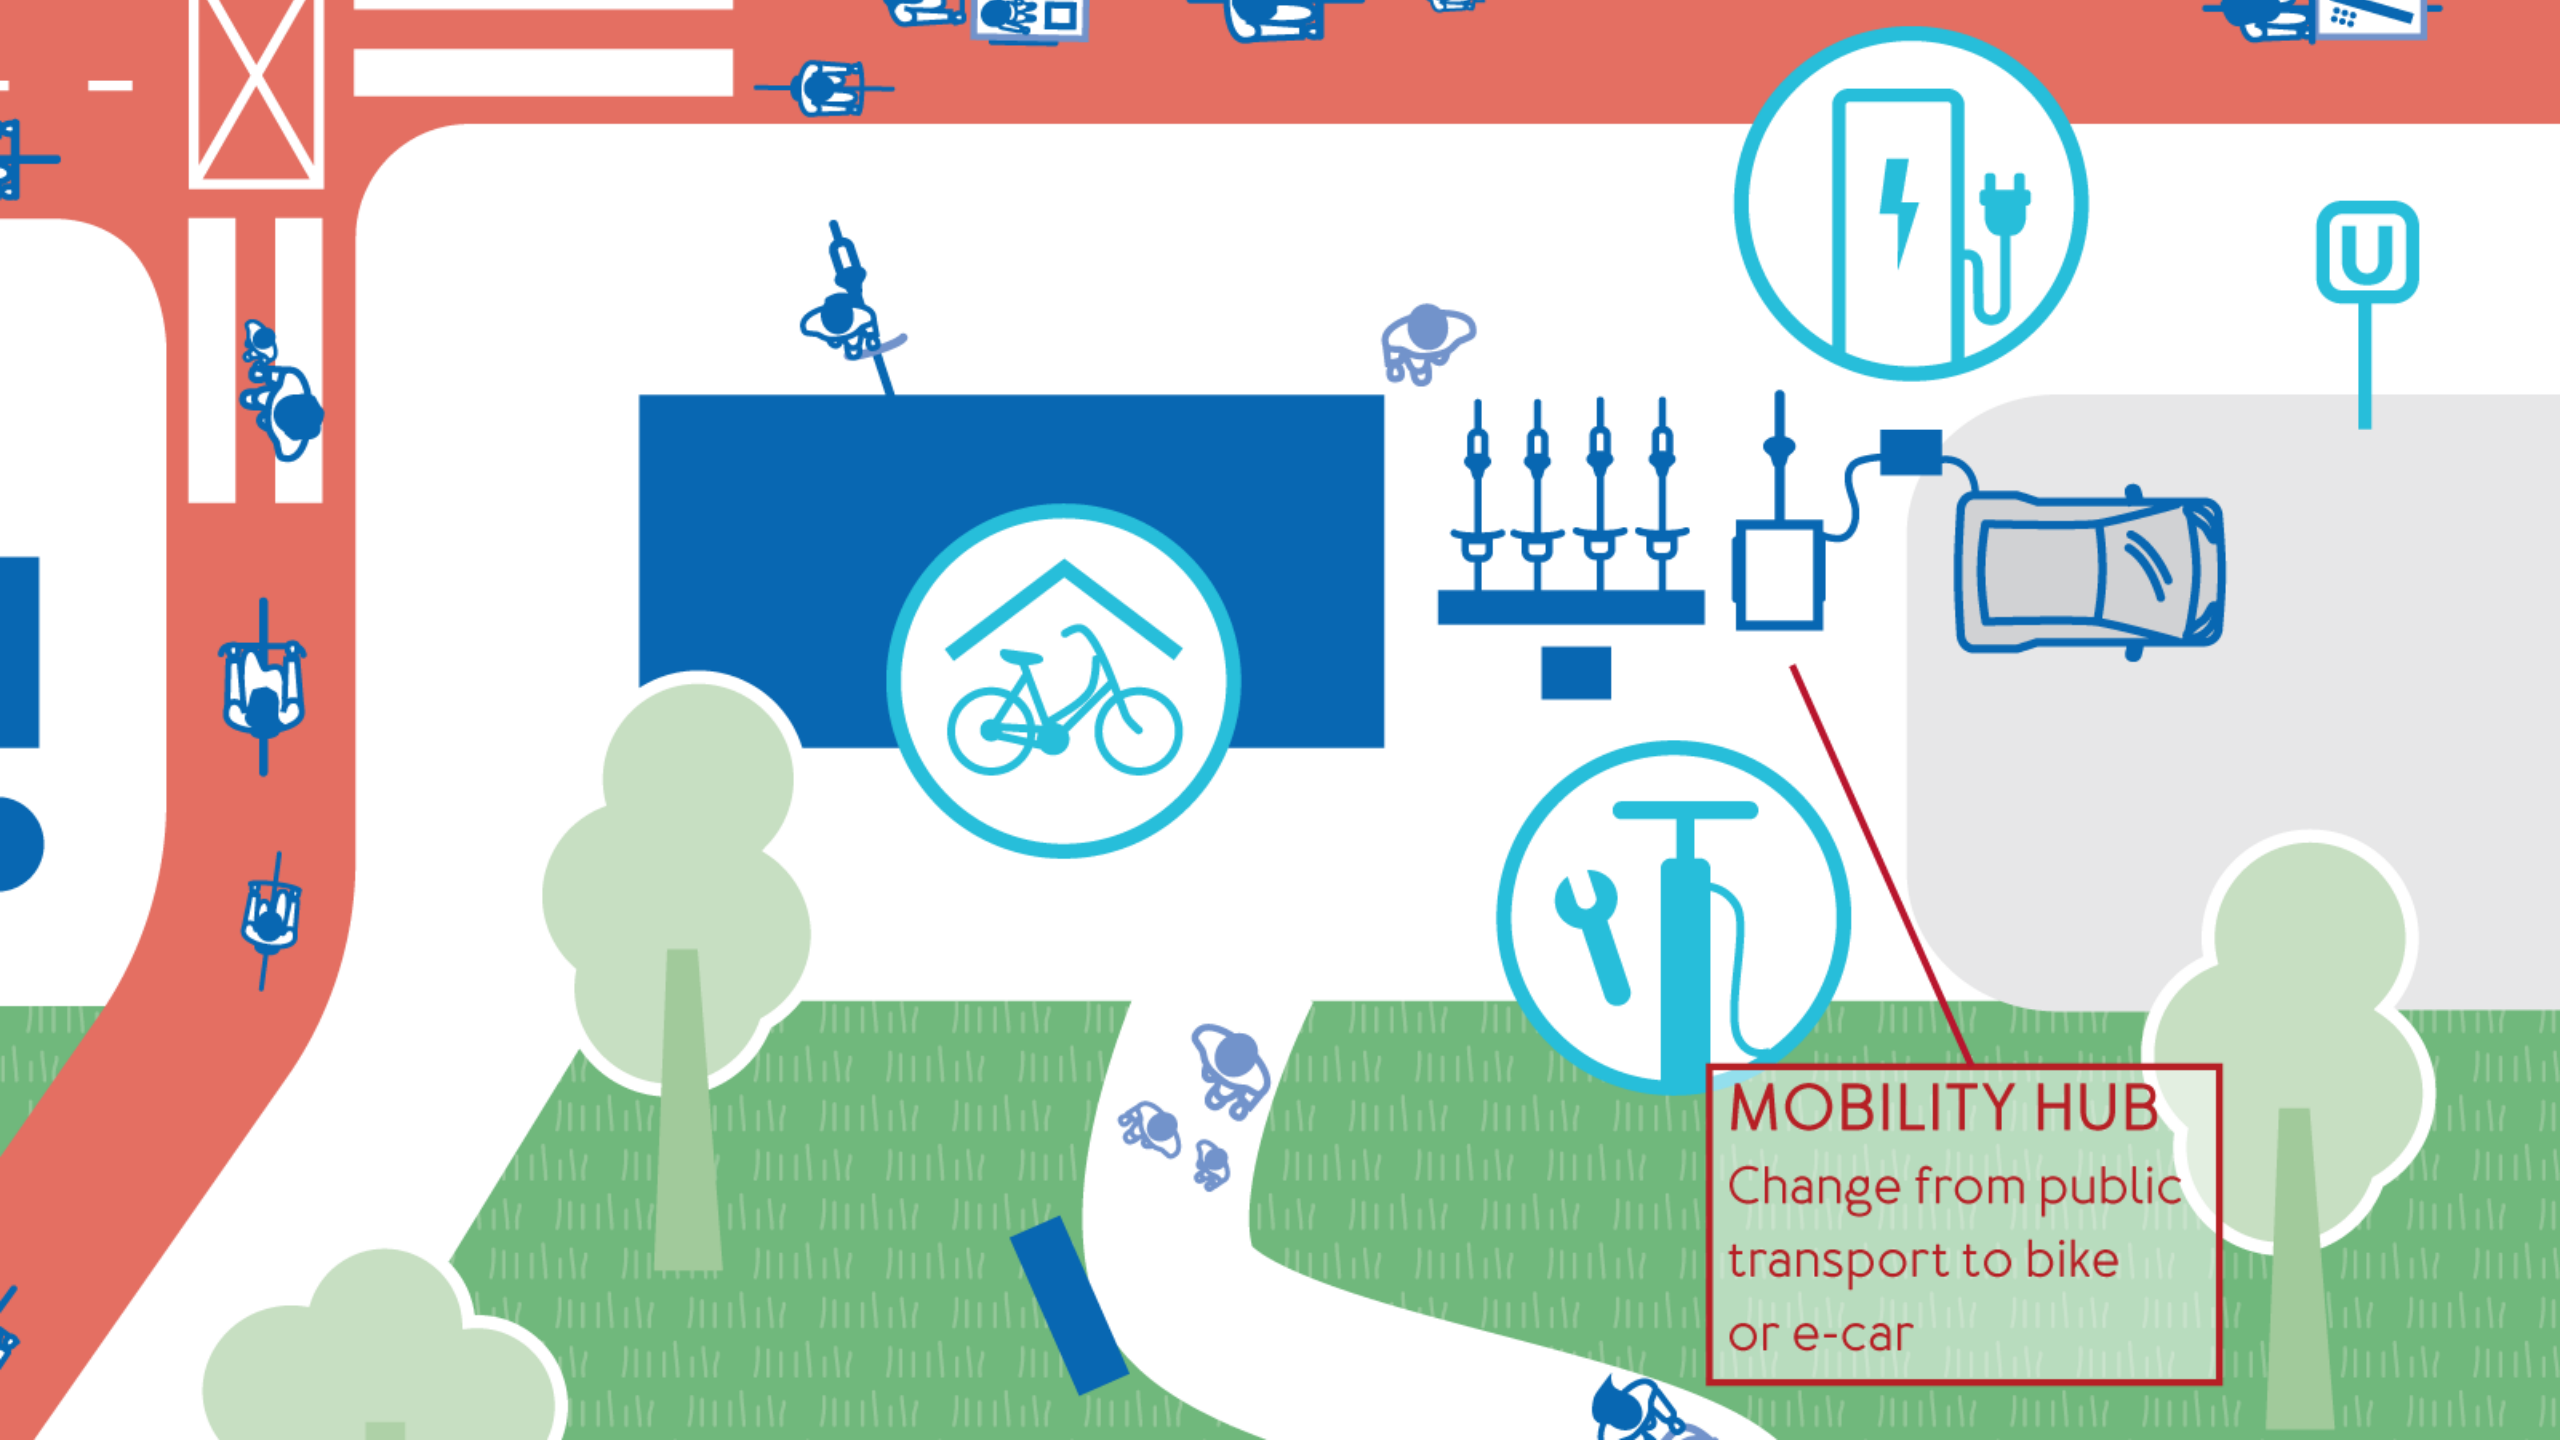

SHARED SPACE

Traffic calming
for all modes

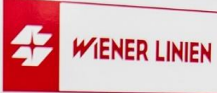

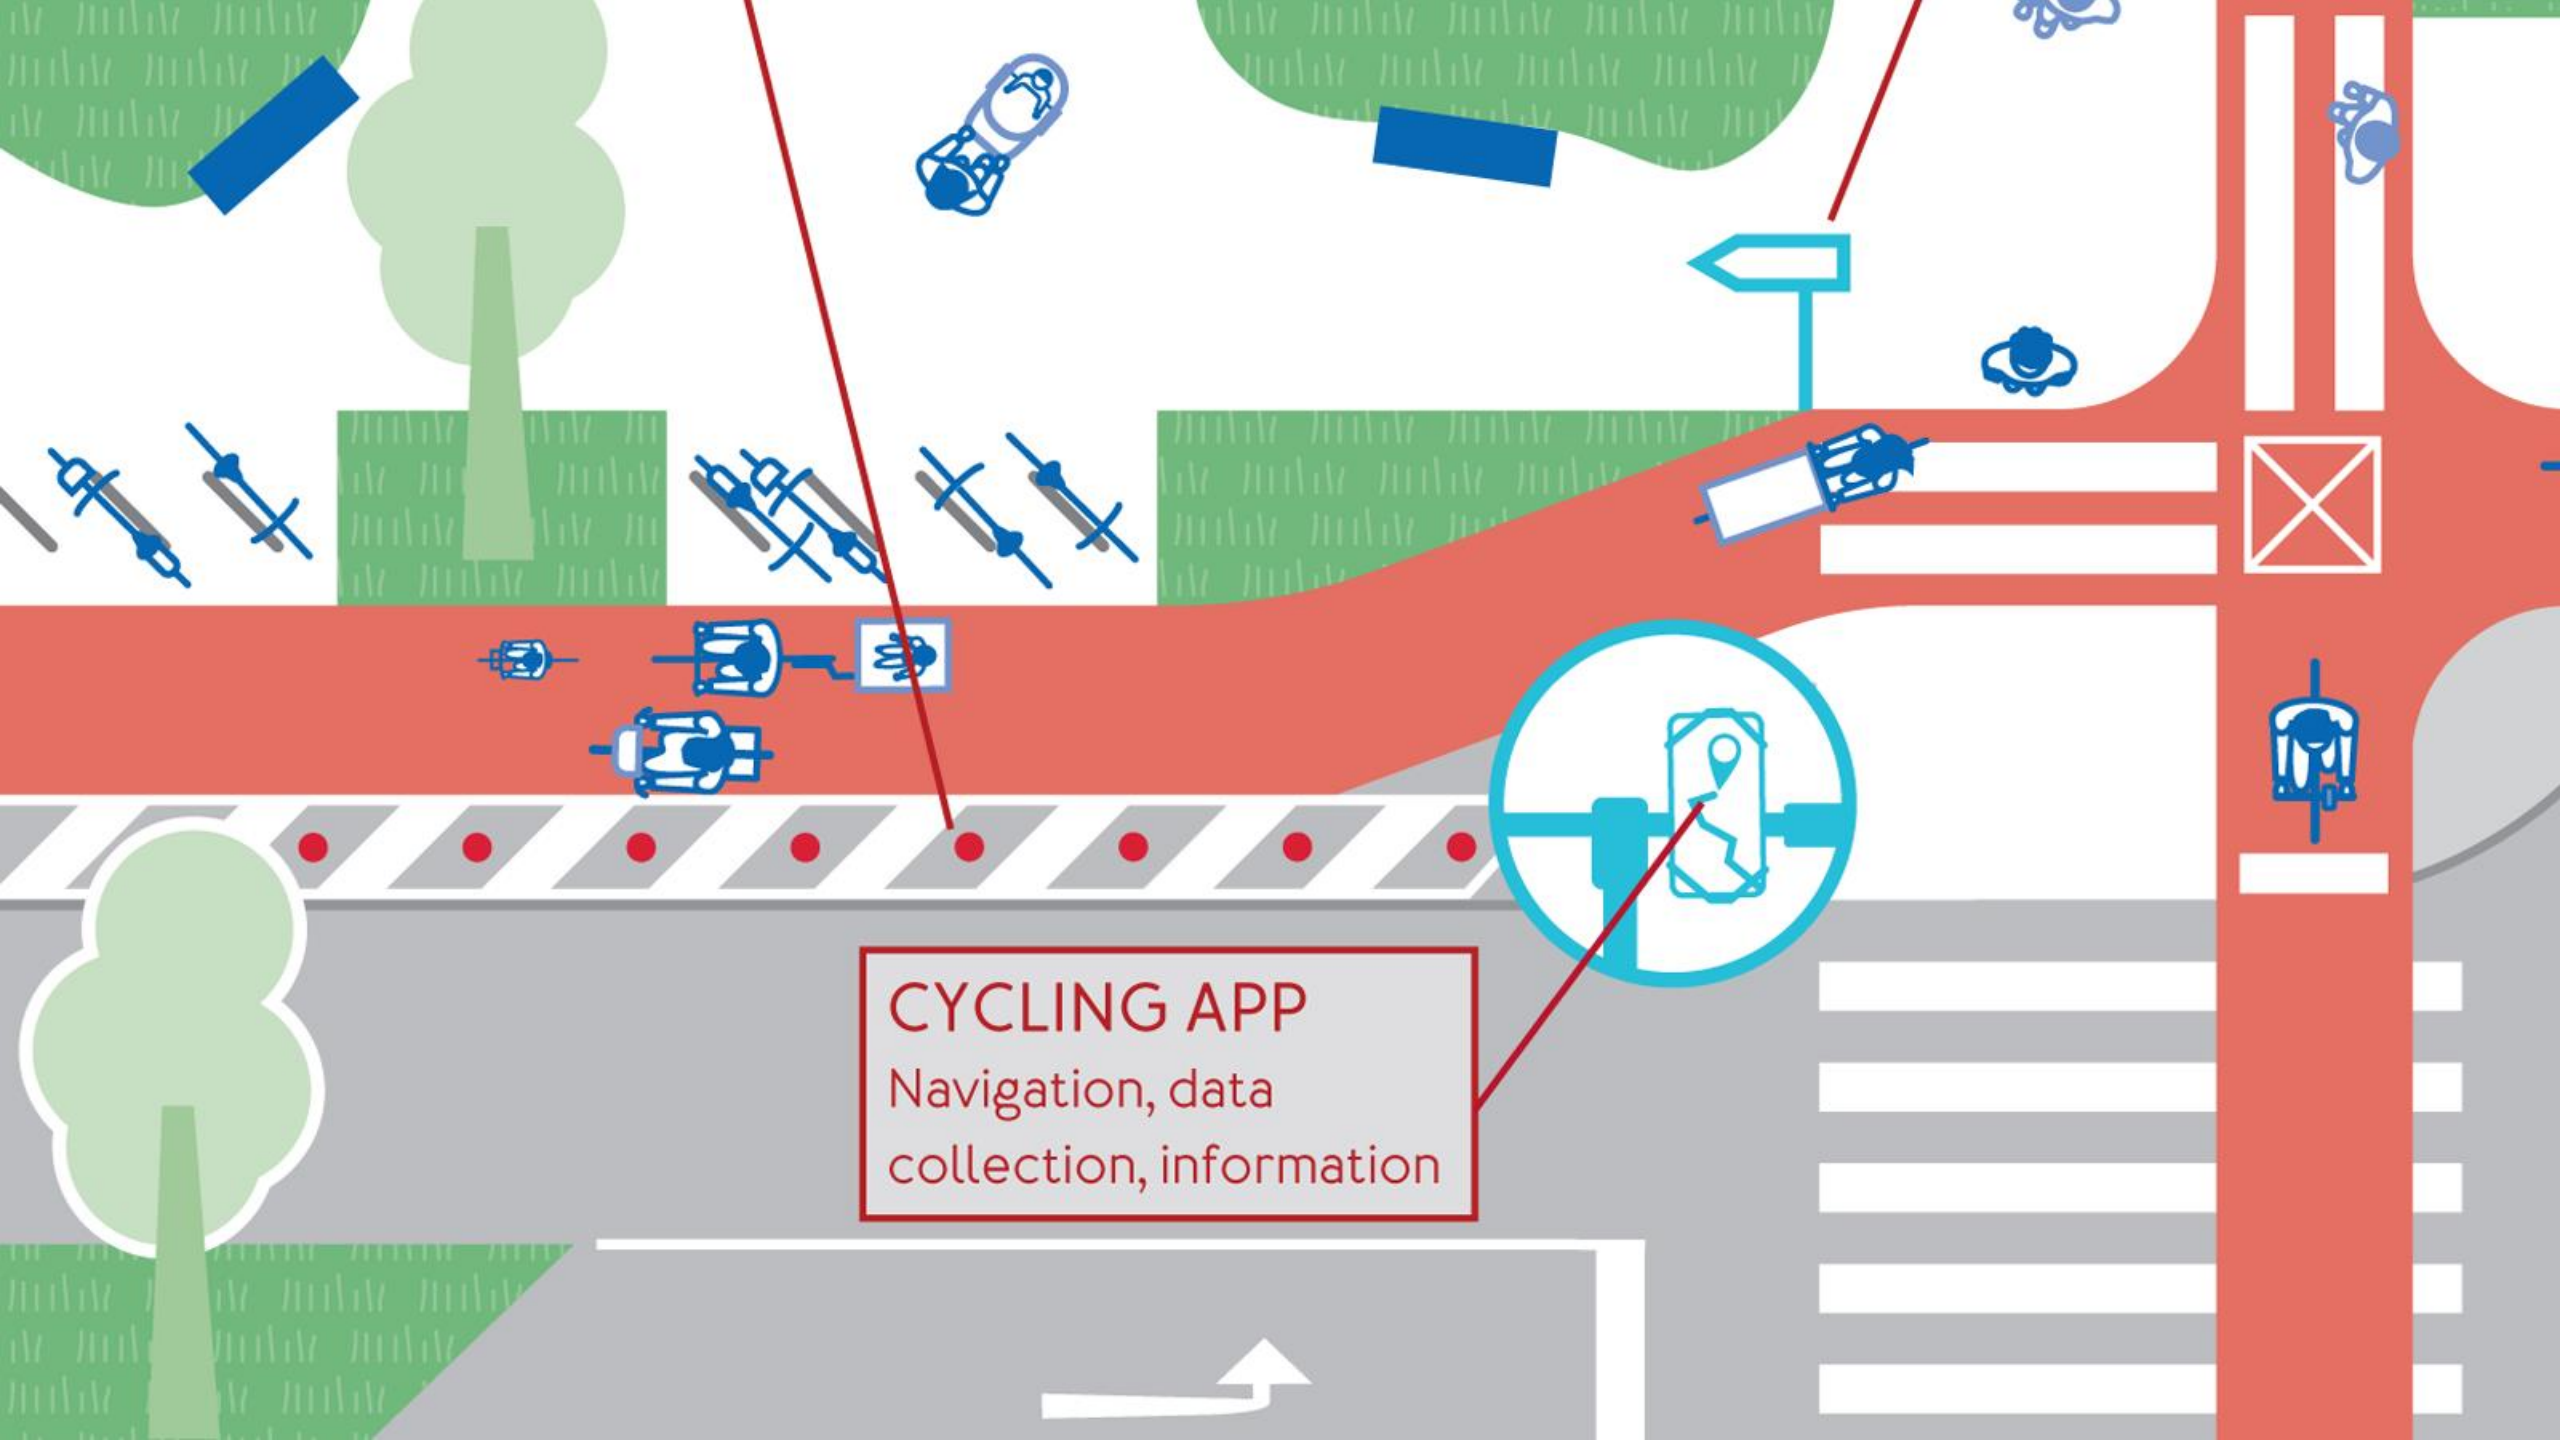

MOBILITY HUB

Change from public transport to bike or e-car

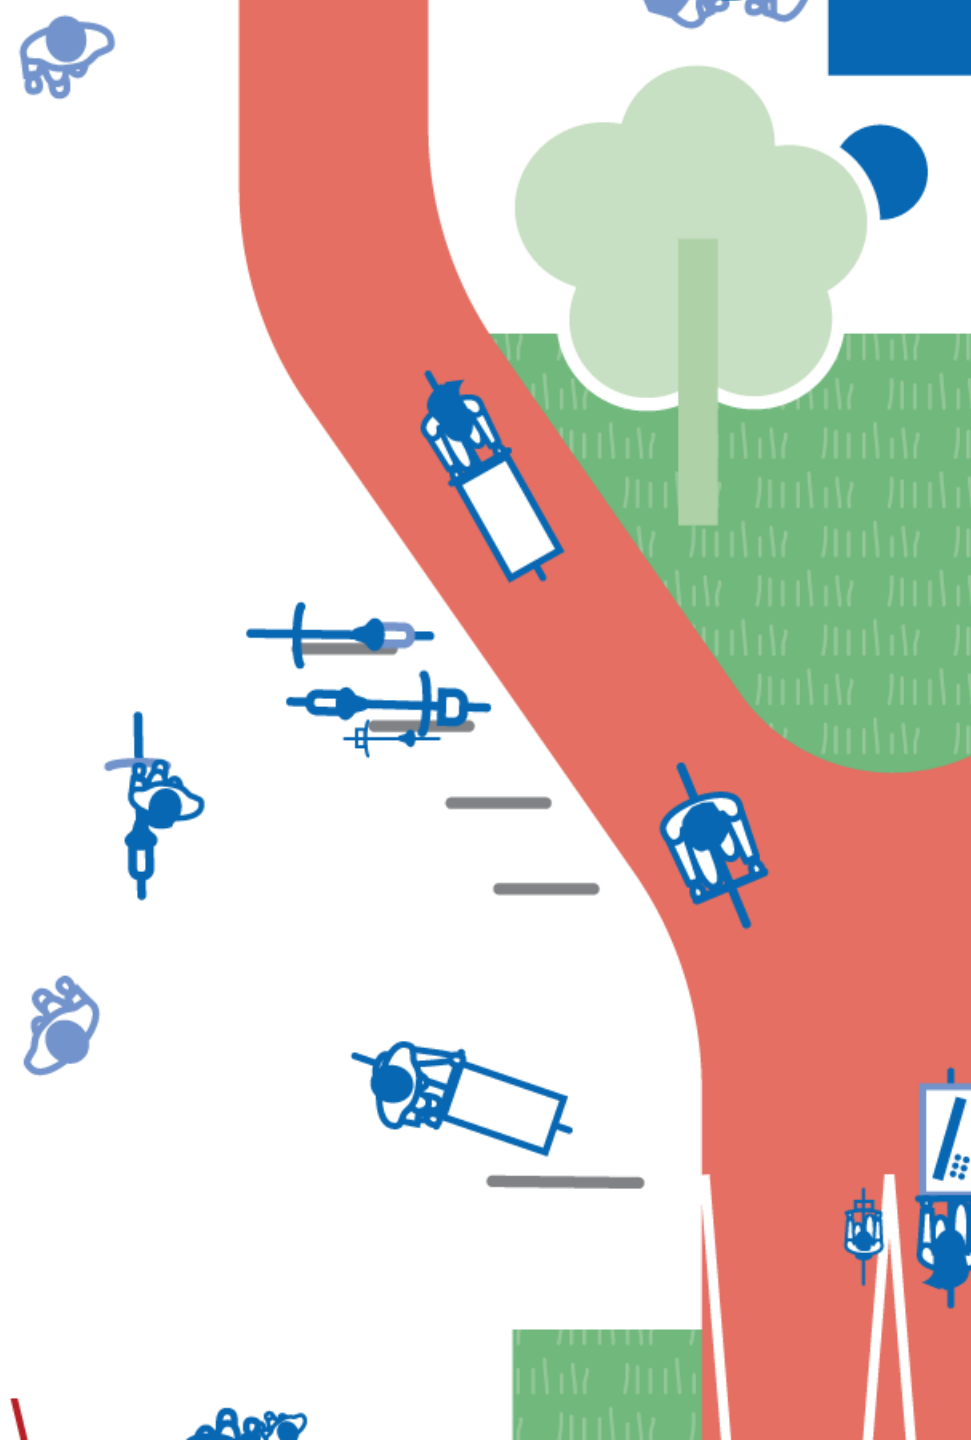

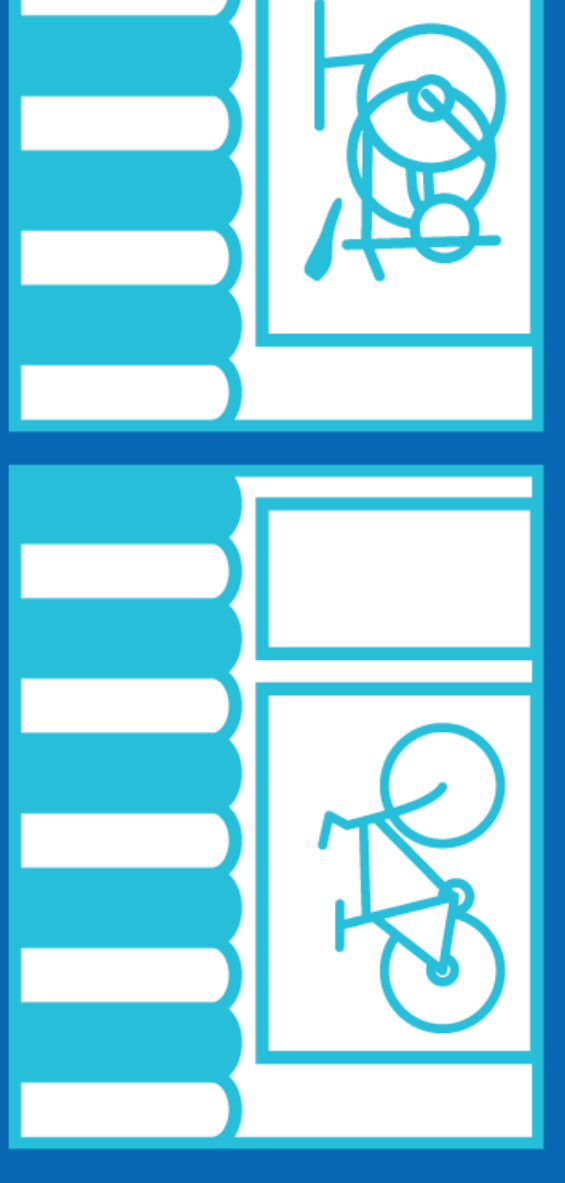

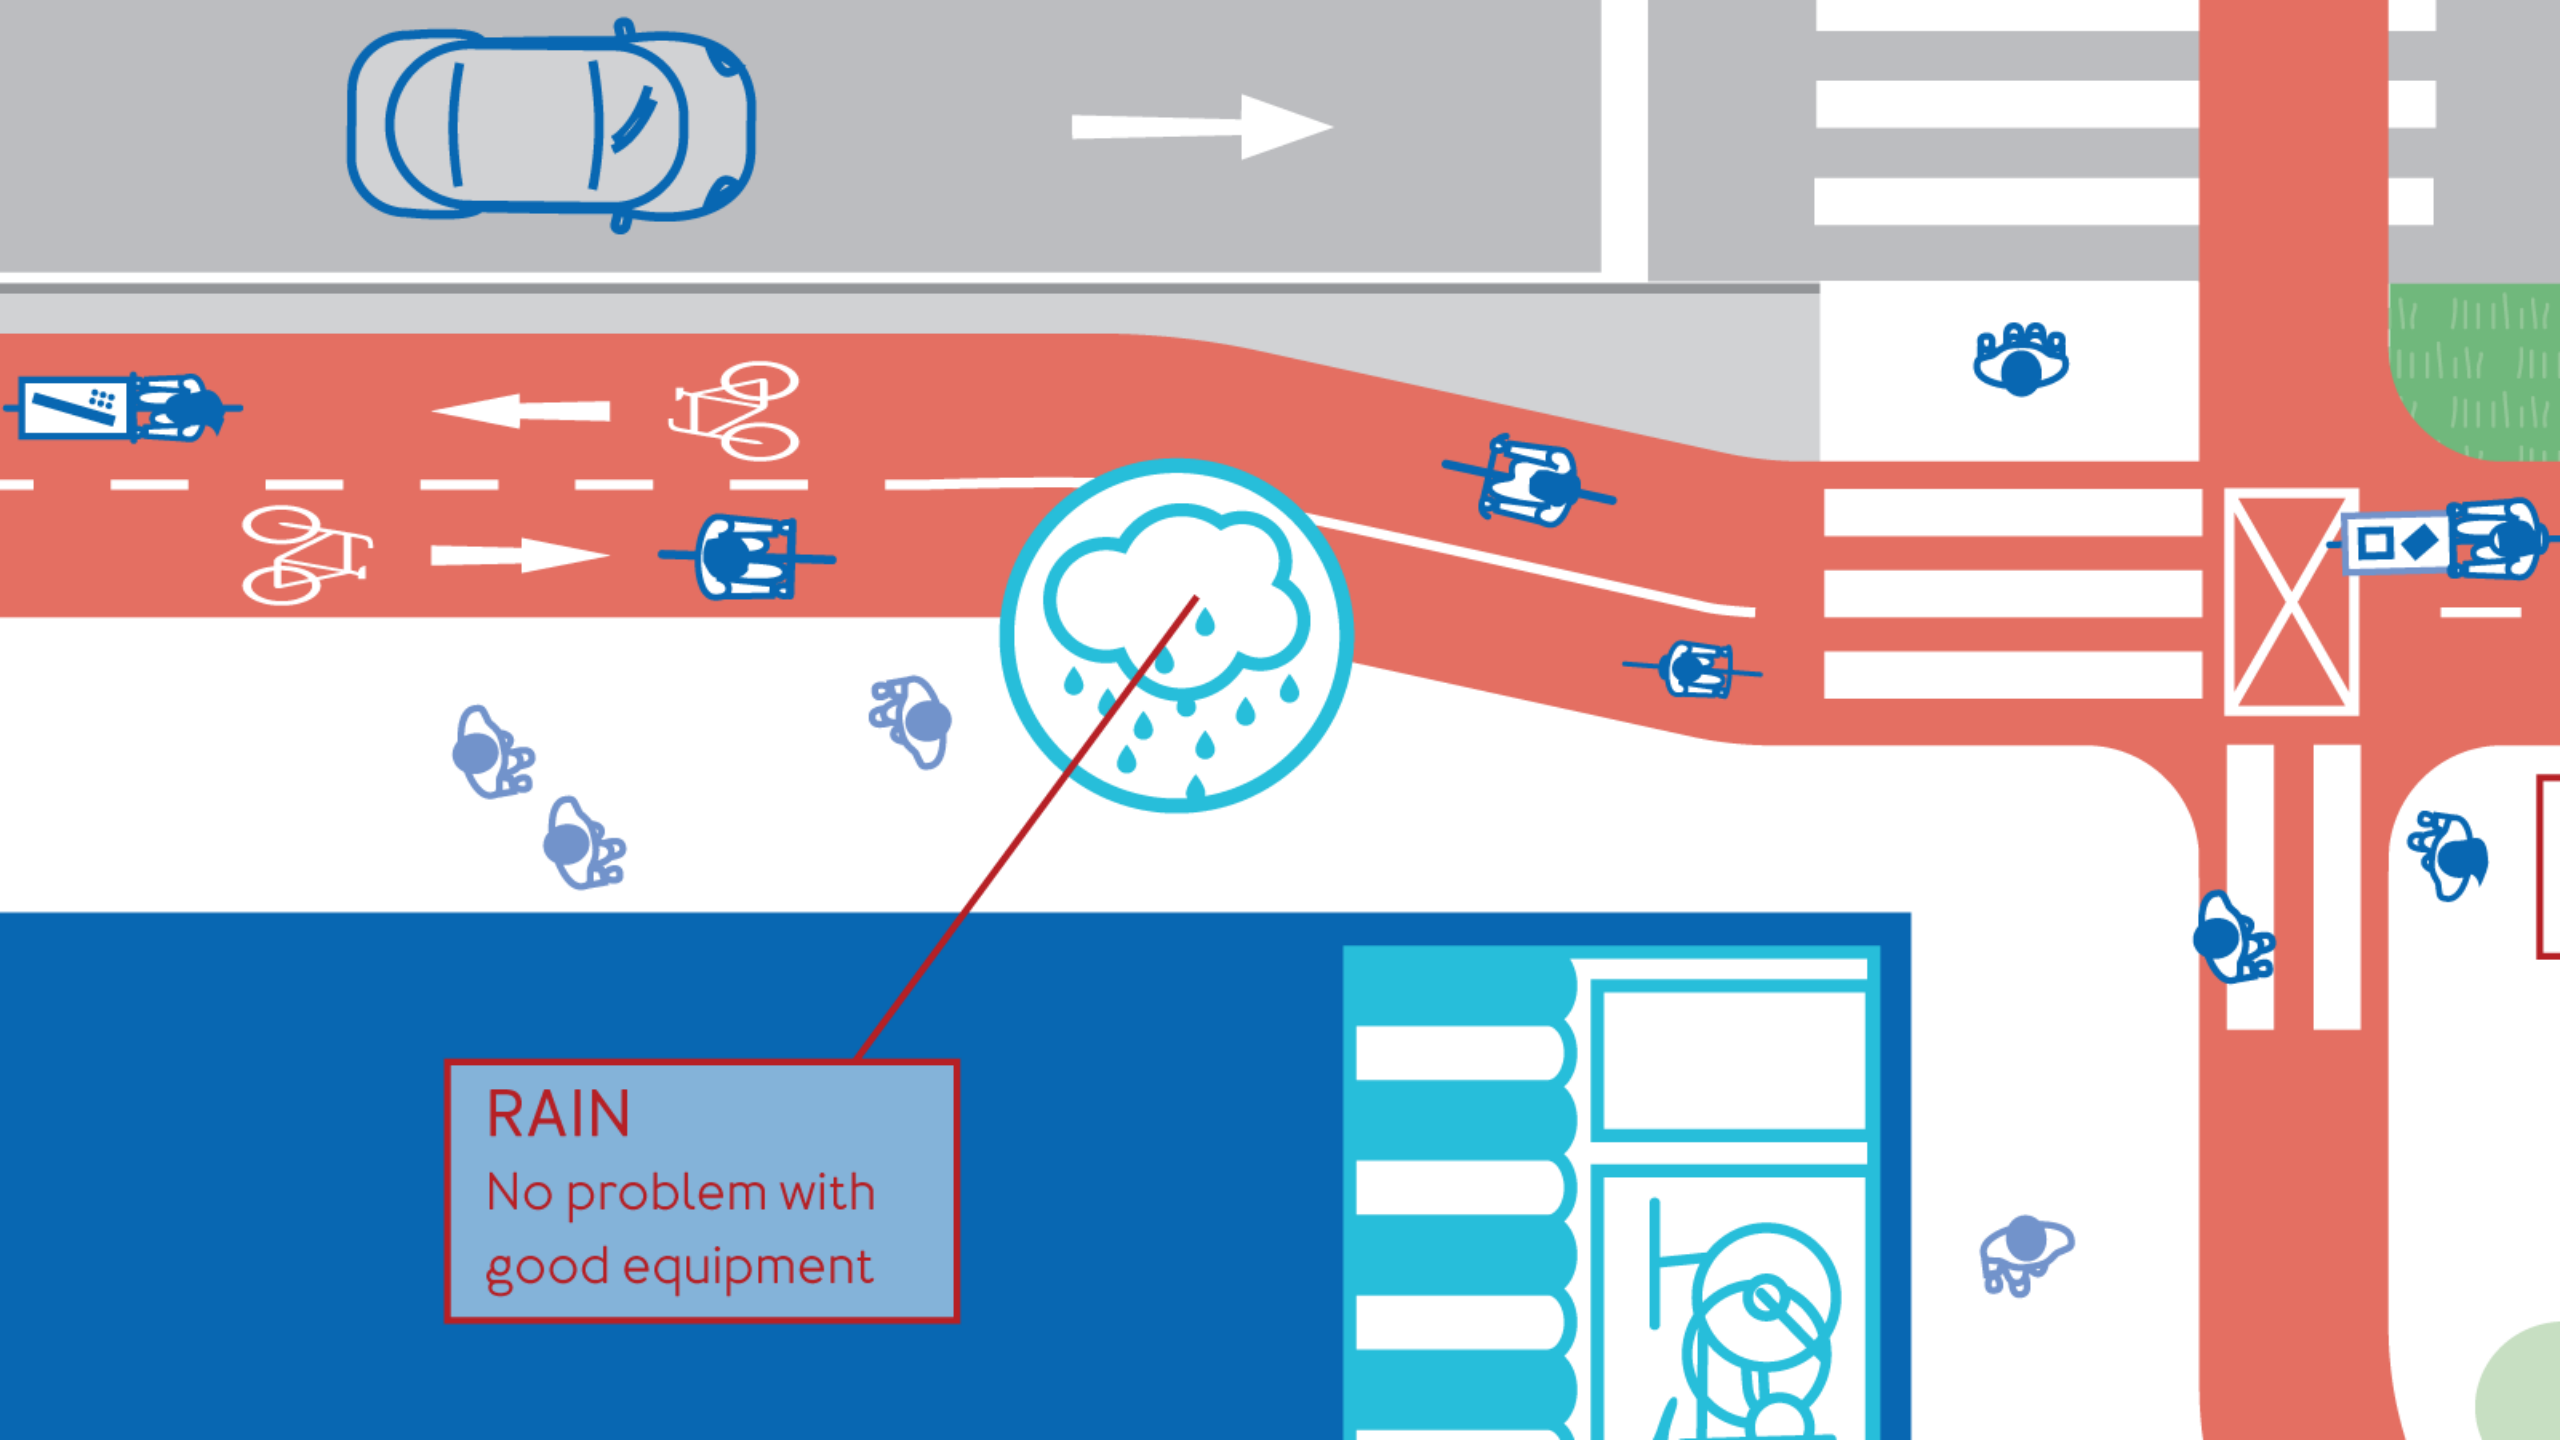

BIKE SHOPS

Selection from urban to folding and cargo bikes

RAIN

No problem with
good equipment

NOW THIS IS CYCLE TRAFFIC!
