

Company Profile

Solution-driven
Sustainability-oriented
Supplier of global textile brands

www.eurotay.com

As an ever-evolving and innovative group we successfully branched out to many different industrial sectors.

SECTOR VARIETY

HEALTH

We aim to grow with different investments and product ranges in the healthcare sector in order to provide fast access to healthcare services and equipment.

TEXTILE

With 45 years of experience, we continue to grow based on the principles of sustainability on the way to becoming an indispensable supplier of global players in the textile industry.

TOURISM

With the vision of ASTAY Real Estate, we continue our activities in the tourism sector with the Four Seasons Hotel at the Bosphorus and Four Seasons Hotel İstanbul at Sultanahmet hotels, which we are the investor and developer of.

REAL ESTATE

We are moving forward with the same excitement and passion on the road we set out in 2004 with the goal of realizing projects that will improve the quality of life of people.

ENERGY

With Renecore Energy, we develop renewable energy infrastructure and services by providing innovative and reliable solutions.

Textile Group At Global

Textile, which is our core business, is continuously growing with the global partners.

Our exponential growth rate of employment and growth of female employees in 2022, compared to base year 2018.
