# GROUP SYNOPSIS

The Khimji Ramdas (KR) Group is one of the most admired and respected business conglomerates in the Sultanate of Oman. With interests in Lifestyle, Consumer Products, Projects & Logistics, and Infrastructure, the Group's business activities span across Oman, the UAE, Saudi Arabia, and India, representing leading global brands in a wide spectrum of businesses and services.

Under the transformational leadership of His Majesty Sultan Haitham bin Tarik, the architect of Oman Vision 2040, the KR Group has dedicated all its resources and capabilities to actively contribute towards the national priorities of economic diversification, skill development, and job creation with a special emphasis on maximizing In-Country value and promoting entrepreneurship.

The Eshraqa Foundation, a Khimji Ramdas Community Development initiative, is working closely with governmental organizations, and charity teams across the Sultanate to make a holistic impact at the grassroots level. Contributing to the four key pillars of education, health, community well-being, and training & entrepreneurship, Eshraqa projects are uniquely focused on one-wilayat at a time; primarily addressing the youth, women and persons with disabilities.

## An overview of ESHRAQA'S Key Projects

# Our Purpose

To **empower** the people of Oman by providing **access** to means that help them achieve their **fullest potential**; in an environment conducive to improving their **productivity, creativity**, and overall **well-being**.

# Overview

We base our programs on four key pillars, and by planning our initiatives on a calendar that covers one Wilayat at a time, we are able to achieve more results more effectively and also cover a range of needs for the different societal groups we connect with.

- **EDUCATION**
- **HEALTH**
- **COMMUNITY WELL BEING**
- **TRAINING**

## KEY PROJECTS

- Improved the school infrastructure across 6 Wilayats, reaching 10,000 students in 98 government schools.
- 20,000 school bags distributed to school children across all Wilayats of Oman.

## KEY PROJECTS

### Takatuf Scholarship Program

Eshraqa sponsored the higher education of two bright students for a period of seven years.

Rashid and Nargis have now majored at Columbia and Stanford Universities respectively.

Stemazone was a 2-year initiative to introduce Omani children to STEM education. This landmark project, launched in 2020, has now been handed to the Ministry of Youth Sports & Culture (MoYSC) and the Ministry of Education (MoE).

## KEY PROJECTS

### National Nutrition Survey:

- Sponsors of the first Oman National Nutritional Survey.

### Upgrading Health Infrastructure:

- Upgrading the Health Infrastructure across Government hospitals in various Wilayats.

# Community Well Being

## KEY PROJECTS

Eshraqa works with governmental organizations and charity teams, understanding their needs and providing timely support.

## Wilayat level Activity

- Supporting Masjids & Majlises.
- Building homes for underprivileged families.
- Ramadan Essentials.
- Mass Weddings.
- Donation of buses and sewing machines to Omani women association.

# Training & Entrepreneurship

تأسيس  
Tasees

Tasees was established in 2018 with a core mission of supporting Oman's entrepreneurs through all stages of their growth. Using a proven three-step methodology Tasees offers businesses - both fledgling startups as well as established enterprises - the expertise to succeed and achieve their maximum potential.
