

ONION

READY-TO-USE

Frozen in portions

Natural Caramelized, diced 4 mm

Your Benefits:

- Ready-to-use diced onions – browned/braised, significantly reduced and frozen in convenient 5 g portions
- Significant time savings – ready for use within minutes (e.g. heated in a frying pan over medium heat)
- Made from fresh onions with a small amount of rapeseed oil – NO additives: clean label and vegan
- Consistently high quality all year round
- Economical and precisely portionable (1 kg of frozen pellets equals approximately 6 kg of raw onions)
- No odor – no tears, with a mild flavor
- Excellent digestibility and long shelf life

Applications for Dishes with a Rich Roasted Flavor:

Ideal for goulash, stews, cheese spaetzle, burgers, hot dogs, casseroles, quiches, onion soup, strudels, roast beef dishes, onion tart, curries, Asian cuisine and many more.
