

TOPLOUSIO™

Award Winning Extra Virgin Olive Oil from Ancient Olympia

Product of Greece, made from single-origin olives sourced from the Ancient Olympia region. Crafted exclusively from the premium Koroneiki olive variety.

Premium Koroneiki Olives

Made exclusively from the Koroneiki variety, single-origin olives from the Ancient Olympia region known for its refined character, mild fruitiness, and balanced finish.

Polyphenol-Rich Extra Virgin Olive Oil

A polyphenol-rich extra virgin olive oil, naturally high in polyphenol content. Crafted to preserve the naturally rich olive oil polyphenols that contribute to its character and flavour.

Traditionally crafted, polyphenol-rich extra virgin olive oil

At TOPLOUSIO, olives are carefully harvested at optimal ripeness and cold extracted within 24 hours from harvest to preserve freshness, low acidity, and balanced flavour.
