

Strategic Asset Portfolio Certification

Skyport Space Hub by Bluebird Construction SAS

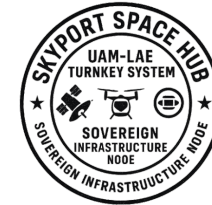

Official Declaration

I, the undersigned,

Micah Kamga Pankeu, President of **Skyport Space Hub by Bluebird Construction SAS**, hereby certify and formally declare the existence and protection of a **strategic consolidated asset portfolio** with a total estimated value exceeding **€430 million**.

This strategic portfolio is composed of:

- Professional infrastructure project valuations (BOQs) produced by AECOM, covering major hospitality and healthcare developments,
- Signed Letters of Intent (LOIs) with global hotel brands including Dream Hotel Group, Mövenpick, Accor, and Deutsche Hospitality,
- Leadership of the €200M+ redevelopment of the Château de Villers-Cotterêts, France's flagship "Cité internationale de la langue française,"
- Full intellectual property ownership of next-generation infrastructure systems, including the Skyport UAM-LAE™ Operating System, medical vertiport networks, and the SAFA-1 sovereign Earth Observation satellite program,
- Registration and legal protection under the French National Institute of Industrial Property (**INPI**), under reference **DSO2025008608**.

Institutional Recognition

Furthermore, the portfolio benefits from:

Presidential Recognition

Official recognition by the Presidency of the French Republic, under reference PDR/CP/BCP/BR/J011690

Ministerial Oversight

Ongoing follow-up by the Ministry of Economy, Finance, and Industrial and Digital Sovereignty (France), under reference MEFI-A25-09022 / 08804 / 08739

International Evaluation

Currently under active evaluation with the **World Bank Group (MIGA – Multilateral Investment Guarantee Agency)** for the issuance of Political Risk Insurance, confirming its international strategic status.

This valuation is declared in full good faith, based on the cumulative market, technical, and sovereign infrastructure values as recognized within national and international institutional frameworks.

All strategic, financial, and operational decisions concerning this portfolio remain under the exclusive authority of the President and founder, and shall be deployed under sovereign legal protections.
