CHATEAU BUISSON-REDON 2022

AOC BORDEAUX

Château Buisson-Redon is a vineyard enclosed in Aoc Fronsac which is five miles away from Pomerol and Saint-Emilion.

VINEYARD

High density vineyard to produce quality grapes. The yields are limited thanks to permanent grassing and green harvesting in August. The whole vineyard has the leaves blown off on one side to allow an optimal ripeness of the grapes.

WINE MAKING

Traditional bordelaise wine making by three weeks maceration in thermoregulated tanks. Made and bottled by ourselves to ensure quality and originality.

20.000 bottles produced. We do not buy grapes.

It is a blend of 60 % merlot and 40 % cabernet franc.

ALCOOL %:

14% Vol.alc.

TASTING
