

Who we are

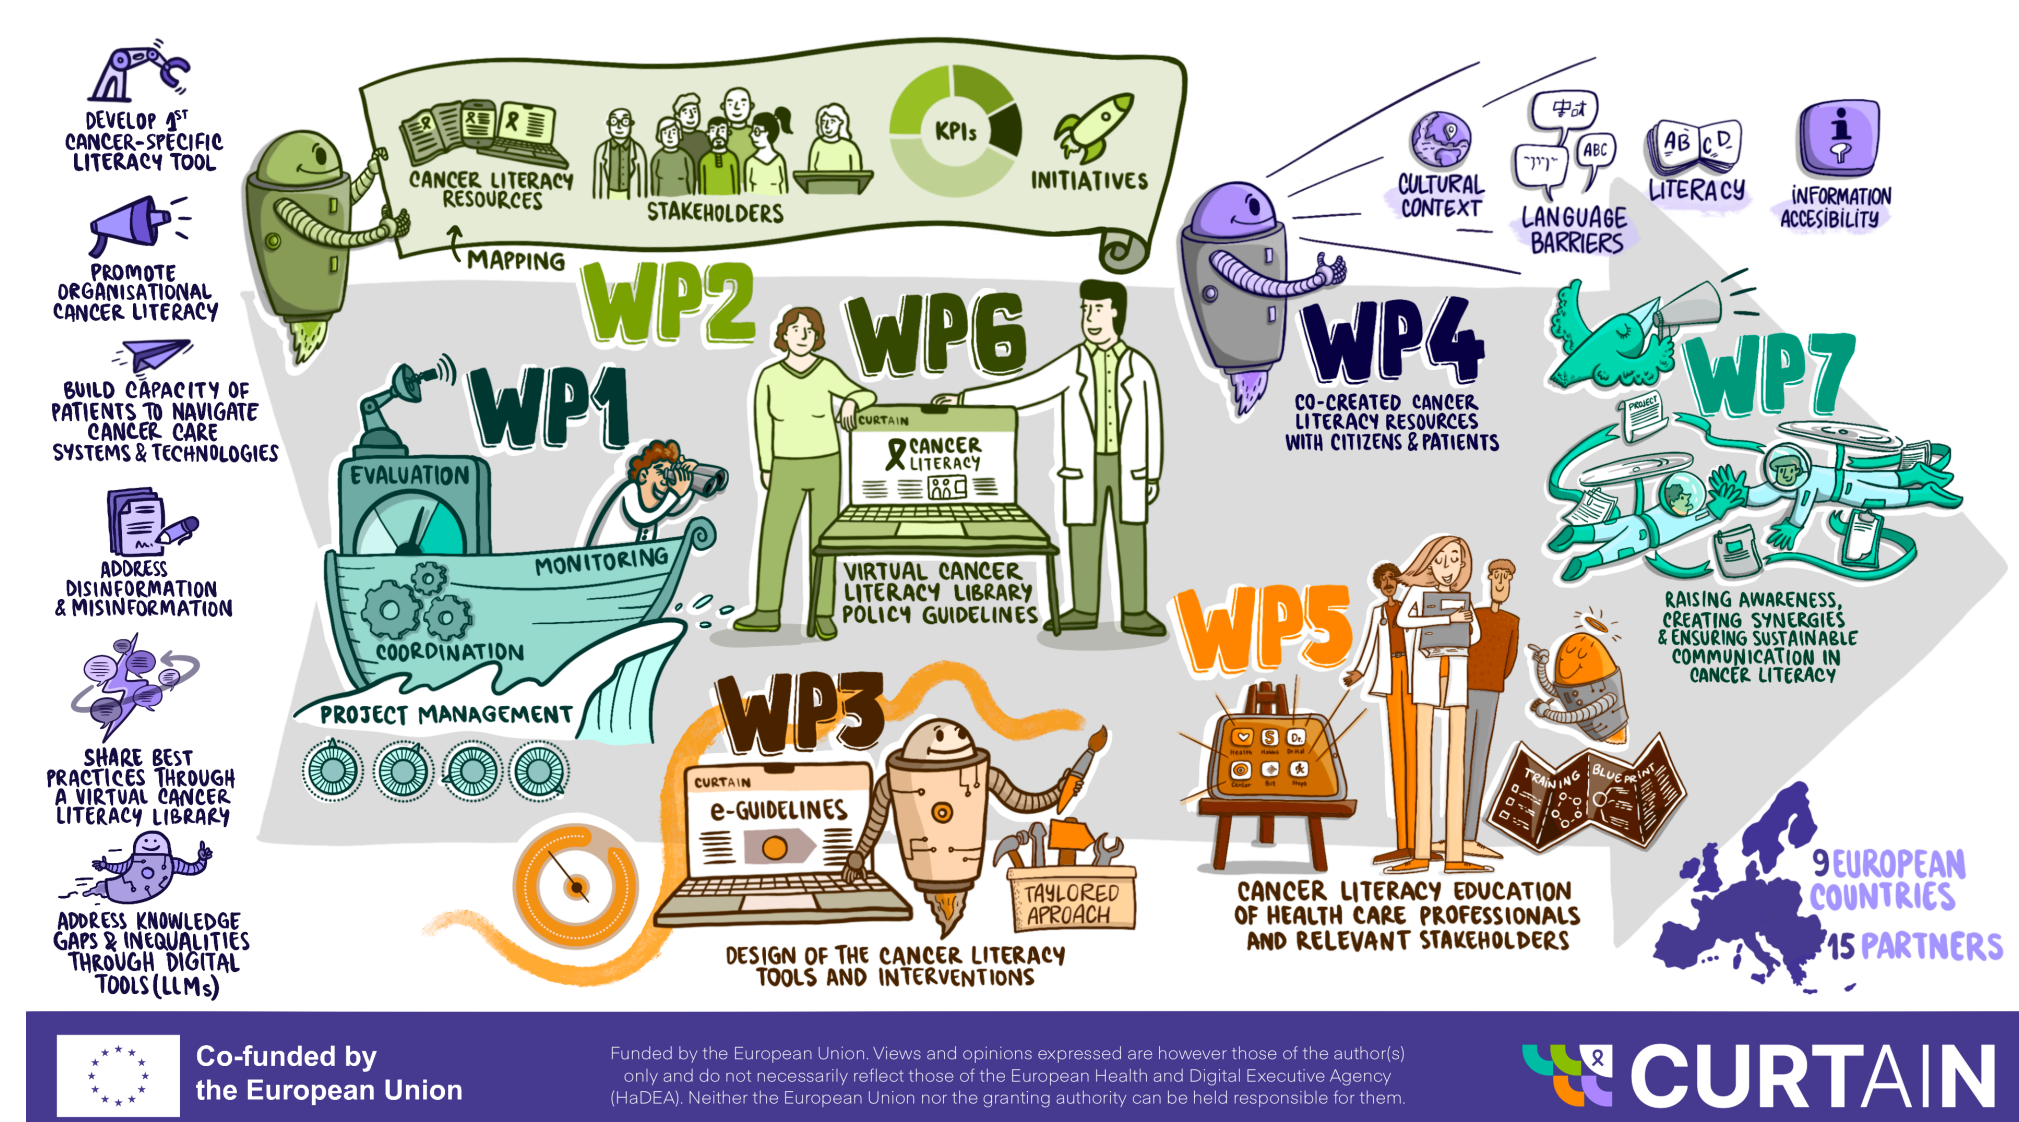

4P-CAN addresses cancer prevention inequalities in CEE through citizen engagement, Living Labs and digital innovation.

CURTAIN tackles Eastern–Western European cancer inequalities through a multidisciplinary consortium focused on cancer literacy.literacy.

What we are working on

4P-CAN uses behavioural insights, citizen engagement and digital solutions to strengthen cancer prevention across Europe.

CURTAIN uses digital solutions to fight misinformation and improve equitable access to trusted cancer knowledge. access to trusted cancer knowledge.

What's the one thing we need next

We need partners to sustain personalised prevention, reduce inequalities and establish cancer literacy as a core pillar of equitable cancer care across Europe.
