SMART LIVING, SIMPLIFIED

We transform modern spaces through **intuitive touchless technology**. Our lavatory solutions prioritize **wellness** with a **hygiene-first design**, while ensuring **environmental harmony** through smart energy and water management. Experience a seamless blend of convenience and long-term reliability in every room.

WORRY-FREE DRAIN

PROTECT WHAT MATTERS MOST

Designed to fit most bathroom sinks with pop-up drains, the Worry-Free Drain helps keep valuable items safely above the drain. It installs in minutes with **no tools required**, making everyday protection **simple and effortless**. A quick twist allows easy removal for cleaning or item retrieval. The integrated catch traps debris while maintaining **smooth water flow**—no clogs, no worries.

 Install in Few Minutes

FAST MOUNT

Quick positioning.
Faster installation in tight spaces.

QuickDock® Above-Counter Installation

TOP MOUNT

No bending, no professional skills required.
Easy one person installation.

1 / Drop and Secure to Counter

2 / Fit Body on The Base

3 / Secure Body to The Base
